ANNUAL REPORT

Town of

Kingston, NH

1988

DEDICATION OF TOWN REPORT

The 1988 Town Report is dedicated to GERTIE McGLINCHEY

Gertie McGlinchey has given generously of her time and energy to making the Town of Kingston a wonderful place in which to live.

She has devoted many years to the Kingston Community House as director and seemingly tireless worker as well as being active in Lioness and other organizations.

Mrs. McGlinchey represents the truly dedicated and caring citizen who manages home and civic duties in a manner which has earned the love and respect of the residents of the Town of Kingston.

TOWN OF KINGSTON, N.H.

MINUTES OF TOWN MEETING - MARCH 8, 1988

ARTICLE 1 - The Annual Town Meeting was called to order at 10 A.M. by the Moderator, Electra L. Alessio, for the balloting for Town Officers, Officers of the Sanborn Regional School District and four Zoning Questions. The Moderator announced that the absentee ballots would be processed at 2 P.M., and that the meeting would be adjourned, after the counting of the ballots, until 7 P.M. on Wednesday at the Swasey Gymnasium, to take up the remaining articles in the Warrant.

The Town Clerk, Bettie C. Ouellette, broke the seals on the boxes of ballots, and the Moderator inspected the ballot boxes. The Assistant Moderator was Leonard F. Sanborn, and the Ballot Clerks were Donna Grier, Carolyn Christie, Rita Priore, Holly Ouellette, and Charles Bradley, Jr. The Police Officer was Patricia Parker, who also counted at night. Selectmen were Marilyn B. Bartlett and Charles J. Wagner. The additional counters at night were Olive Moriarty, Norma Jervis, Carolyn Harlow, Barbara Norris, Deborah Nowak, Judith Smith, Phyllis Buckley, George Harmon, David Conant, Edward Jervis, Jr., Virginia Snow and Michael Priore.

The following results of the balloting were announced by the Moderator: Total Cast - 662, including 57 absentee ballots. Total voters on check list - 2,676.

ZONING & BUILDING CODE QUESTIONS

Article 5. Are you in favor of amending Article VI of the Zoning and Building Code of the Town of Kingston, New Hampshire as adopted at the September 9, 1986 Meeting, and amended on March 10, 1987, as proposed by the Fire Inspectors by adding to:

- 6.21 1702.4 Fire suppression systems Group A-3 and
1702.8 Fire suppression systems Groups M, S-1 and F.

This article is approved by the Planning Board.

YES 388 NO 190

Article 6: Are you in favor of amending Article VI of the Zoning and Building Code of the Town of Kingston, New Hampshire as adopted at the annual Town Meeting held on March 10, 1987, as proposed by the Fire Inspectors by adding to:

- 6.24 N.F.P.A. 10, 13, 54, 58, 70, 72E and 96.

N.F.P.A. Means NATIONAL FIRE PROTECTION ASSOCIATION.

N.F.P.A. 10 = Standard for Fire Extinguisher.

N.F.P.A. 13 = Standard for Sprinkler Systems.

N.F.P.A. 54 = National Fuel Gas Code.

N.F.P.A. 58 = Standard for the Storage and Handling of
Liquified Petroleum Gases.

N.F.P.A. 70 = National Electric Code.

N.F.P.A. 72E = Standard for Automatic Fire Detectors.

N.F.P.A. 96 = Standard for the Removal of Smoke and
Grease Laden Vapors from Commercial
Cooking Equipment.

This article is approved by the Planning Board.

YES 409 NO 177

Article 7. Are you in favor of amending Article VI of the Zoning and Building Code of the Town of Kingston, New Hampshire as adopted at the annual Town Meeting held on March 14, 1978, as proposed by the Fire Inspectors by adding:

6.25 All educational facilities (including Day Care) are required to be protected by a supervised alarm system, such system having the capability of informing the dispatching facility of the Kingston Fire Department of any alarm activation at the time of such activation. EXCEPTION any facility with less than 5 clients.

This article is approved by the Planning Board.

YES 449 NO 150

Article 8. Are you in favor of amending Article VI of the Zoning and Building Code of the Town of Kingston, New Hampshire as adopted at the annual Town Meeting held on March 14, 1978, as proposed by the Fire Inspectors by adding:

6.26 All buildings, structures or portions thereof required to be protected by a Fire suppression system must also be protected by a supervised alarm system, such system having the capability of informing the dispatching facility of the Kingston Fire Department of any alarm activation at the time of any such activation.

This article is approved by the Planning Board.

YES 398 NO 198

SANBORN REGIONAL SCHOOL DISTRICT OFFICERS

School Board Member for Kingston - Term Ending 1991:

David G. Conant 546*

Moderator - Term Ending 1989:

Richard L. Russman 581*

The ballots were wrapped, sealed and locked in the vault at the Town Hall at 9:00 P.M., March 8, 1988.

Bettie C. Ouellette
Kingston Town Clerk

MINUTES OF CONTINUED TOWN MEETING AT SWASEY GYMNASIUM - MARCH 9, 1988

Meeting was called to order at 7 P.M. by Electra L. Alessio, Moderator. All pledged allegiance to the Flag of our Country. She introduced the members of the Municipal Budget Committee: Linda Nadeau, James Rankin, Edward Jervis, Jacqueline Russell, Robert Shaughnessy, Ronald Davis, Herbert Noyes, Chairman Carroll Wright, Allen Kermick, Donna Winslow, Steven Smith. She also introduced the Town Clerk, Bettie Ouellette, and the three Selectmen: Charles Wagner, Marilyn Bartlett and John Reinfuss. Later on Patricia Matthews joined the Budget Committee, of which she is a member.

The Moderator read the results of yesterday's ballot votes.

Article 2. It was voted to raise and appropriate \$2,012,436.00 to defray town charges for the ensuing year.

Unless otherwise specified, all votes were by voice.)

Article 3. It was voted to authorize the Selectmen and Town Treasurer to borrow such sums of money in anticipation of the collection of taxes for the current year and to issue in the name of the Town, negotiable notes, the aforesaid notes to be paid during the current year from taxes collected during the year.

Article 4. It was voted to authorize the Tax Collector to allow a deduction of 1½% from Town Property Tax when payment is made within 30 days of billing.

Articles 5, 6, 7 and 8. Voted by written ballot previous day.

Article 9. A motion was made to authorize the Kingston Fire Department to charge the owner of any property in the Town of Kingston which causes more than two (2) false alarms at the minimum rate of \$100.00 for commercial or industrial and \$50.00 for residential. These charges to be applied at the discretion of the Fire Chief. This was seconded, and then Bill Harvey made an amendment to delete the final sentence. This amendment was defeated, after it was voted to cut off debate on a motion made by David Conant. Then a new amendment was made by William Timmons, to add the words "per year" after alarms. This amendment passed, and upon returning to the main motion, as amended, it was passed; so it reads: To authorize the Kingston Fire Department to charge the owner of any property in the Town of Kingston which causes more than (2) false alarms per year at

the minimum rate of \$100.00 for commercial or industrial and \$50.00 for residential. These charges to be applied at the discretion of the Fire Chief.

Article 10. It was voted, by a standing "eye" vote, to amend the fee schedule listed under BUILDING INSPECTOR, as adopted at the annual Town Meeting held March 14, 1977, as proposed by the Board of Selectmen with the following change:

Paragraph 2 to be changed as follows:

All construction shall conform to the regulations and restrictions as adopted under Section VI of the Town of Kingston Zoning and Building Codes. All electrical and plumbing work will conform to the codes as adopted by the State of New Hampshire. For any new construction, the permit fee shall be \$3.50 for each \$1,000.00 (or part thereof) based on a fair estimate of the total cost or value of such work, for a maximum of 10 inspections. For each inspection required in addition to this, a set fee of \$50.00 per inspection visit will be charged. Additions or alterations to existing structures shall pay a fee of \$02 per square foot or floor space with a minimum fee of \$5.00 and a maximum fee of \$25.00 for residential and storage buildings and \$50.00 for commercial buildings. An additional charge of 50% of the fee may be charged for any construction begun without a permit. (This was recommended by Planning Board.)

Article 11. It was voted, as amended, to adopt the following fee schedule for Fire Inspections as proposed by the Fire Department:

NEW HOME: \$50.00 - includes 2 inspections (Occupancy), \$10.00 for each additional inspection.

NEW BUSINESS - \$100.00 per unit - includes 3 inspections (Occupancy), \$20.00 for each additional inspection.

ASSEMBLY - Free

SCHOOLS - Free

NEW OIL BURNERS - (tanks) \$10.00 inspection (pass or fail).

NEW WOODSTOVES, CHIMNEYS - \$10.00 inspection (pass or fail).

SMOKE DETECTORS - \$10.00 inspection (pass or fail).

NEW UNVENTED KEROSENE HEATERS - \$2.00 permit, \$10.00 inspection before use (pass or fail).

FOSTER HOME PERMIT - Free

NEW DAY CARE CENTERS - Same as New Business (Occupancy).

EXISTING HOME INSPECTIONS - \$20.00 inspection (pass or fail).

EXISTING BUSINESS INSPECTIONS - \$40.00 inspection (pass or fail).

(The original motion contained a \$20.00 inspection fee for Foster Home Permits, and it was voted, on a motion made by Lynne Merrill, to delete this amount.)

Article 12. It was voted to establish a Salary for the position of Town Clerk/Tax Collector within the wage matrix. The current salary for this position would be grade PX in lieu of combined Salary and Fees remuneration.

Article 13. A motion was made by Marilyn Bartlett, and seconded, to see if the Town will vote to raise and appropriate a sum of \$19,200.00 to fund the position of full time Code Enforcement Officer in the Town of Kingston to be appointed by the Board of Selectmen. The MAXIMUM salary for this position will be \$25,000.00.

After discussion, the Moderator asked Mrs. Bartlett to withdraw her motion, and the following motion was substituted by Carroll Wright:

To see if the Town will vote to create the position of fulltime Code Enforcement Officer in the Town of Kingston to be appointed by the Board of Selectmen. The maximum salary for this position will be \$25,000.00 The new motion was seconded, and after a discussion, it was voted to table the article until the next Town Meeting.

It was voted, on a motion made by Marilyn Bartlett, to consider Article 49 before Article 14.

Article 49. It was voted to make the term of office for the elected position of Chief of Police a three (3) year term commencing with the election to be held at the Town Meeting to be called in March of the year 1989.

Article 14. It was voted to pas over Article 14 which was relative to appointing the Police Chief under RSA 105:1.

Article 15. It was voted to pass over this Article which was relative to appointing the Road Agent under RSA 231:62.

Article 16. It was voted, by Secret Ballot, to adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure. These statutes provide that tax sales to private individuals for nonpayment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes.

YES 118 NO 12 VOID 4

The Moderator announced that this article was a petition from Carroll Wright and 13 other voters, after reading the original article.

Article 17. A motion was made and seconded to authorize the Selectmen to sell the unmarked 1985 Police Cruiser at public auction. Then an amendment was made by Neil Parker, to change the words "unmarked 1985" to "oldest marked 1986". This was seconded and then it was voted, as amended: to authorize the Selectmen to sell the oldest marked 1986 Police cruiser at public auction.

Article 18. A motion was made by Marilyn Bartlett, to see if the Town will vote to authorize the Moderator to appoint five (5) citizens to serve on a special unpaid committee for the purpose of studying the advisability of adopting the Town Manager form of government in the Town of Kingston. Such committee to report its findings and recommendations in a written report to the Selectmen on or before December 1, 1988. This was seconded, and then an amendment, as follows: was made by Donald Eadie:

To see if the Town will vote to authorize the Moderator to appoint five (5) citizens to serve on a special unpaid committee to study the management of the Town and to recommend changes and/or improvements in the Town's management including, but not limited to, the advisability of adopting the Town Manager form of government in the Town of Kingston. Such committee to report its findings and recommendations in a written report to the Selectmen on or before December 1, 1988. This amendment was passed, and then the main motion as amended, was passed.

Article 19. It was voted to allow the Trustees to release and authorize the Selectmen to expend a sum not to exceed \$2,500.00 from the Magnusson Park Fund interest accrued for the purpose of surveying land known as Magnusson Park.

Article 20. It was voted to raise and appropriate the sum of \$6,300.00 as recommended by the Computer Selection Committee, to complete the computerization of the Town Offices. Said sum to be added to the \$25,000.00 appropriated in 1987 Special Article #20.

Article 21. It was voted to continue the present Computer Selection Committee as a support committee for the Town.

Article 22. It was voted to add to the General Reserve Fund, established in 1984 for Cemetery Maintenance, the sum of \$450.00 being the amount received in 1987 for the sale of cemetery lots.

Article 23. It was voted to pass over this article relative to purchasing a new backhoe/loader for the Highway Department, as it was included in the budget under Article 2.

Article 24. It was voted to raise and appropriate the sum of \$25,000.00 for the building of a Salt Shed to be constructed at the site of the Town Garage Building.

Article 25. It was voted to raise and appropriate the sum of \$5,200.00 for the purchase of a Highway Brush Cutter Bar.

Article 26. It was voted to raise and appropriate the sum of \$2,500.00 for the purchase of a 6' mower attachment.

Article 27. A motion was made by Marilyn Bartlett, to see if the Town will vote to authorize the Selectmen to create a Buildings Needs Committee and further authorize the Selectmen to withdraw from the Police Station Capital Reserve Fund the amount of \$17,819.03 and further accumulated interest for the purpose of initiating a study to consider the present and future space requirements of and handicapped accessibility to Town Offices and Police Department. Said Committee shall consist of Department Heads and three citizens appointed by the Moderator. This motion was seconded.

Then, an amendment was made by Donald Eadie, as follows: To see if the Town will vote to authorize the Moderator to appoint five (5) citizens to serve on a special unpaid "Building Needs Committee" for the purpose of initiating a study to consider the present and future space requirements of and handicapped accessibility to Town Offices and Police Department. Such Committee to report its findings and recommendations in a written report to the Selectmen on or before December 1, 1988. The amendment was passed, and the original motion, as amended, was then passed.

NOTE: Under Article 56 when the meeting was ready to close, a motion was made by George Schiller to reconsider Article 27, and it was so voted.

Then Mr. Schiller made the following motion: To see if the Town will vote to authorize the Moderator to appoint five (5) citizens to serve on a special unpaid "Building Needs Committee" for the purpose of initiating consideration of present and future space requirements and handicapped accessibility to Town Offices, the Nichols Library, the Police and Fire Departments. Further that \$12,000. be appropriated for the purpose of hiring an architect who may use other professional services as necessary. Said funds or parts thereof to be drawn from the Police Station Capital Reserve fund if deemed legal

by the appropriate authorities. Such committee to report its finding and recommendation in a written report to the Selectmen on or before December 1, 1988.

This amendment was seconded, discussed and passed. Then, the original article, as amended, was voted in the affirmative, on a standing "eye" vote.

(The votes on the first amendments were taken after it was voted to "move the question" on a motion by David Conant.)

Article 28. It was voted to raise and appropriate and expend the sum of \$16,500.00 for the replacement and installation of tank 25-T1.

Article 29. It was voted to raise and appropriate the sum of \$4,865.00 to be placed in the Capital Reserve Fund for the future replacement of the ambulance RSA 35:1-11. Said sum representing the monies received from the use of the ambulance for the year 1987, including \$4,865.00 collected from ambulance fees.

Article 30. It was voted to authorize the Selectmen to withdraw the sum of \$1,417.50 from the Revenue Sharing Fund and to further authorize the appropriation of said monies for the purchase of four (4) pagers to be used by the Highway Department.

Article 31. It was voted to raise and appropriate the sum of \$26,800.00 for the purchase and installation of a two section underground storage tank (one section for diesel fuel and one for gasoline).

Article 32. It was voted to instruct the Selectmen to appoint three (3) citizens to serve on a special unpaid committee to be known as a Regional Refuse Recycling Planning Committee for the purpose of studying the advisability of establishing a Regional Refuse Disposal District and drawing up a proposed agreement therefore as authorized by RSA 53-RSA 53A.

Article 33. A motion was made to raise and appropriate the sum of \$10,000.00 for the purpose of meeting the expenses of the Regional Refuse Recycling Planning Committee established in Article 32. This was seconded, and followed by an amendment made by Carroll Wright, to change the amount to \$1.00. This amendment was defeated. Then upon returning to the main motion, it was passed in the affirmative.

Article 34. It was voted to raise and appropriate the sum of \$40,000.00 and authorize the withdrawal from the Fire Department Apparatus Fund the sum of \$101,254.97, (plus any accrued interest) and also authorize the withdrawal from the Fire Department Reserve Trust Fund the sum of \$32,429.39 (plus any accrued interest) and authorize the Selectmen to expend said monies for the purchase of new apparatus replacing the current 1968 Chevrolet Engine known as "Engine II". The new apparatus to contain all necessary equipment and accessories as part of the purchase price as requested by the Kingston Fire Truck Committee. The current 1968 truck to be sold or traded as seen best for the Town, with monies from sale to be put towards the total cost of the new truck and equipment. Any monies left over to be placed in the Fire Department Apparatus Fund.

Article 35. It was voted to authorize the withdrawal of all funds from Ambulance Fund and authorize the sale of the 1980 Chevrolet Ambulance and authorize the Selectmen to expend said monies to purchase a new ambulance. Total funds available amount to \$70,000.12. Any unexpended funds are to be placed in the Capital Reserve Fund for the future replacement of the ambulance.

Article 36. It was voted to indemnify and save harmless for loss or damage occurring after said vote any person employed by it and any member or officer of its governing board, administrative staff or agencies, including but not limited to Selectmen, School Board Members, Town Managers and Superintendents of Schools from personal financial loss and expense including reasonable legal fee and costs, if any, arising out of claim, demand, suit or judgement by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property if the indemnified person at the time of the accident resulting in the injury, damage or destruction was acting in the scope of his employment or office, as set forth in RSA 31:105 Law of N.H.

Article 37. It was voted to authorize the Board of Selectmen to apply for, accept and expend without further action by Town Meeting, money from the State, Federal, or other governmental unit or a private source which becomes available during the 1988 calendar year provided that such expenditure be made for purposes for which a Town Meeting may appropriate money and that such expenditure not require the expenditure of other Town funds. Further, that the Board of Selectmen and the Municipal Budget Committee hold a public Hearing prior to accepting and spending such money.

A motion was made at this time, by Diane Eadie, to consider Article 39 before Article 38, and it was so voted.

Article 39. It was voted to raise and appropriate the sum of \$10,000.00 to be added to the Capital Reserve Fund established in the 1987 Town Warrant #46, for the purpose of conservation land purchase and associated costs.

Article 38. It was voted as amended on a motion by Diane Eadie, to authorize the Selectmen to accept private donations of land, interest in land or money to be deposited into the Conservation Fund KCC RSA 36A-5 for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the Selectmen to apply for and accept the State matching funds under the LCIP for the purposes of acquisition of the fee or lesser interest in conservation land. Further, that monies from the Capital Reserve Fund for conservation land purchase may be expended for the above stated purpose. State matching funds may be expended by majority vote of the Kingston Conservation Commission and the Selectmen.

Article 40. It was voted to raise and appropriate the sum of \$5,000.00 to be added to the Recreation Department Capital Reserve Fund for a future recreation building, created in the 1984 Town Meeting. The principal is \$10,000.00 and the interest accumulated is \$2,644.00.

Article 41. It was voted to raise and appropriate the sum of \$1,000.00 for the Richie McFarland Children's Center (\$200.00 for each child served).

Article 42. It was voted to increase the number of trustees of the Nichols Memorial Library to seven (7), pursuant to RSA 202-A:6 Chapter 89:1. The additional trustee, if approved by the Town, shall be appointed by the Board of Selectmen for a one year term and thereafter shall be elected by ballot on a three year rotation basis.

Article 43. It was voted to raise and appropriate the sum of \$2,500.00 to assist Rockingham County and Family Services, a private non-profit organization. An amendment, made by Patricia Matthews, to reduce the amount to \$2,000.00, was defeated. The vote was taken after it was voted to "move the question" on a motion made by Richard Russman.

Article 44. It was voted to raise and appropriate the sum of \$1,000.00 for the purpose of helping to defray the cost of services provided to the Town of Kingston and its residents by Area Homemaker Home Health Aide Service, Inc.

Article 45. It was voted to raise and appropriate the sum of \$352.00 for the Women's Resource Center, a private non-profit organization, to assist in funding the Rape Crisis Intervention Program. This agency trains police on sexual abuse issues and helps sexual abuse survivors in the Town.

Article 46. It was voted to raise and appropriate the sum of \$638.00 for the purpose of defraying the cost of services provided to the Town of Kingston and its residents by Seacoast Big Brother/Big Sister of New Hampshire.

Article 47. It was voted to raise and appropriate the sum of \$2,000.00 for the support of the Child Development Council, Inc., doing business as The Kingston Children's Center and Kindergarten Annex. This is a non-profit organization that provides pre-school educational services and daycare.

Article 48. It was voted to raise and appropriate the sum of \$1,500.00 to help defray the cost of the upkeep of the Vic Geary Center thereby insuring ongoing service to our Town from the Center for congregate meals, Meals on Wheels, recreational activities for our senior citizens and free health clinic.

Article 49. Voted before Article 14.

Article 50. A motion was made by Alfred J. Carbone, to see if the Town will vote to make it unlawful to park or garage permanently a bus of more than twenty (20) passengers within 300 ft. of a neighboring dwelling. A bus of this size creates a nuisance because of noise and air pollution when the motor is idled for the purpose of warming up before starting to run. Further nuisance is created due to the formation of ruts and wheel marks to the road and to adjacent land when entering and turning. This Article is directed to busses registered in Massachusetts for out of state school systems and garaged in Kingston. Selectmen Charles Wagner stated that Town Counsel had advised them that if the article is passed, it would probably be invalid and have to be resolved in a Court of Law. After debate, Steven Smith made a motion to cut off debate, and this was passed. The motion was then defeated.

Article 51. It was voted to table this article which was a petition from Frank Buzzell, and was in regard to adopting an ordinance for police protection at any large assembly of a thousand people or more.

Article 52. It was voted to table this article which was a petition from Frank Buzzell, and was in regard to regulating the size and capacity of propane storage facilities on campsites.

Article 53. It was voted to table this article which was a petition from Frank Buzzell, and was in regard to adopting an ordinance concerning parking areas where the public will be allowed.

Article 54. It was voted to table this article which was a petition from Frank Buzell, and was in regard to adopting an ordinance concerning parking areas where the public will be allowed.

Article 54. It was voted, as amended twice, to authorize the Selectmen to sell tax deeded property at public auction, after review in accordance with the Kingston Public Land Acquisition Ordinance, and not to sell land that gives access to waterways. The first amendment was made by Kenneth Weyler, and the second amendment was made by David Welch.

Article 55. It was voted to accept the Auditor's Report for the Town Report as printed.

Article 56. A motion was made by Carroll Wright, to reconsider the budget passed under Article 2. This was passed. Then Mr. Wright made a motion to remove \$11,200.00 from the budget on the Building Inspection item. This was because the Code Enforcement Officer was defeated. This made the new budget figure to be adopted \$2,001,236.00, and it was voted in the affirmative.

Then, at this point, George Schiller brought up the reconsideration of Article 27, which is fully explained under that Article.

It was voted, on a motion by Carroll Wright, to accept the total of \$2,382,442.98 as the total appropriations. This amount includes the Town operating budget and all special warrant articles that were voted.

Marilyn Bartlett, Chairman of the Board of Selectmen, addressed the small group of people remaining, as follows:

"The Board of Selectmen would like to express sincere thanks to: The Roads Committee: Henry Chabot, Kenneth Briggs, Kenneth Weyler and Carroll Wright; The Computer Selection Committee: Donald Eadie, Frank Becker, George Harmon, Allen Kermick, Tom Buttrick, Bettie Ouellette and Alice Tarbox; Volunteers on the Planning Board, Zoning Board of Adjustment, Conservation Commission, Historic District Commission and the Municipal Budget for

the numerous hours donated to the Town.

Particular thanks to Kenneth Weyler and Kenneth Briggs for all the hours spent testifying in Court.

Also, compliments and thanks to our Emergency Management Director, Larry Middlemiss and Highway, Fire and Police Department members for their outstanding teamwork during our April Flooding.

We also extend thanks and express appreciation to all Department Heads for their cooperation and input in our joint efforts to make our Town operations more smooth and efficient.

We wish former Deputy Police Chief, Norman Bower, the best in his new position as Police Chief of the Town of Newton.

In closing, we'd like to thank all of the many volunteers and elected officials who work so hard and put up with so much, all in the name of community service. The Town of Kingston could not operate without your dedication and expertise. Finally, we'd like to say to anyone out there who has thought about volunteering for a committee or in running for an office, but hasn't quite made his or her mind - go ahead and give it a try. You can have an impact in making Kingston a better place to live."

The meeting was adjourned at 12:20 A.M., March 10, 1988.

Questions relating to Constitutional Amendments proposed by the 1987 General Court:

“Are you in favor of amending the Constitution to provide that, in order to entitle the parties to a Trial by Jury in Civil Cases, the amount involved in such cases must not exceed \$1,500 instead of \$500 as is now provided?

YES: 1,309 NO: 594

“Are you in favor of amending the Constitution to provide that the Legislature may delegate Regulatory Authority to Executive branch officials, but that any proposed rules may be disapproved by the Legislature or an appropriate Legislative Committee, as prescribed by Law?”

YES: 961 NO: 813

Bettie C. Ouellette
Town Clerk

1988 REPORT OF TOWN CLERK-TAX COLLECTOR

The year 1988 shows a small increase of \$26,955.00 in Motor Vehicle receipts, compared to \$41,981.00 increase for 1987. Total vehicles registered shows an increase of 189 for 1988 - total of 6,612. A total of 824 dogs and 9 groups were licensed, showing a decrease of \$728.00 in receipts. Notices were mailed to 281 dog owners who have responded very well. There are still a few more due and the Animal Control Officer is cooperating with us in trying to get all dogs to be licensed and restrained. Many thanks to Robin Gilbert for her efforts. REMINDER: all dogs must be licensed once a year, due April 30 with a \$1.00 penalty per month after May 31st.

The following Vital Statistics were recorded: 71 Births, 58 Marriages and 24 Deaths which indicates an increase of 9 Births, a decrease of 6 Marriages and an increase of 2 Deaths. The Boat Tax Revenue decreased by \$67.00. According to the newspapers, there will be a new procedure for boat registrations for 1989, and we will notify everyone as soon as we are informed.

During 1988, 395 Voter Registrations were accepted, as well as 35 party changes and 4 name changes. We work in full cooperation with the Supervisors of the Check List. There were four elections in 1988: Presidential Primary February 16th; Town Meeting March 8th; State Primary September 13th; General Election November 8th. There will be only one election for 1989 - Town Meeting March 14th. The voting takes place in the Town Hall upstairs and the polls are open from 10 A.M. to 7 P.M. Absentee ballots are available for anyone who is physically unable to come to vote as well as those on vacation, working out of Town, etc. Phone 642-3112 for any questions. Absentee ballots must be returned to the Town Clerk by 5 P.M. the day BEFORE any election.

Since December, 1982, Kingston has been issuing renewal decals for the State Motor Vehicle Dept. and this service continues to be well received by everyone. For renewals, it must be the same plate, person and vehicle. As of January, 1987, we have been able to offer an added service of issuing NEW plates and as of January, 1988, we can also do the State part of the transfers - up to 8000#. Twenty day temporary plates are available as well.

In the Tax Department, the Warrant shows another LARGE increase of \$1,123,744.20 in the commitment. As of December 31, 38½% of the total tax was collected. There were more instances than usual of citizens upset and unable to pay their bills. Requests for abatements have been filed with the Board of Selectmen. These requests can be filed up to four months from the time the bill was received. All bills are mailed to the current owner of record, with a courtesy copy going to

the owner as of April 1st. Transfers are updated to about September 1st. The date of the bills is governed by the setting of the tax rate in Concord, and this depends on the Selectmen submitting the information to Concord along with the School figures. In 1988, there was a complete revaluation of the Town by the M. M. C. Company of Chelmsford, Mass., as you all know. The last time this was done was in 1976.

The balance due on the Unredeemed Taxes for the 1986 Levy is \$11,304.48, reflecting a small decrease. The individual names are listed in my Tax Report. The Tax Sale procedure was changed to the Tax Lien Process by a vote at Town Meeting in 1988. This eliminates outside purchasers. The property owner still has the same two years to redeem the taxes. The balance due for the 1987 levy is \$65,884.80. All these taxes are due plus 18% interest per annum.

At the March, 1988 Town Meeting, I was elected to a three year term for the new combined office of Town Clerk-Tax Collector. Nothing really changed, as I did both jobs before, and I am continuing to do my best to serve the citizens of Kingston.

I wish to express my appreciation, on behalf of the Town, to Holly Ouellette for her continued dedication as Deputy Town Clerk and Deputy Tax Collector. Holly is very capable of serving all residents in a rapid and efficient manner, and in case of illness, she will continue the same services. Holly is also a big help on the new Computer system and is Systems Administrator. The Office Clerk position is vacant at the time of this report.

Many thanks to the Treasurer, Olive Moriarty, who works very closely with me. Her cooperation is appreciated. Thanks to the other elected officers and committee members for their cooperation. I have continued to keep my census figures daily, and as of December 31, 1988, the population was 5,815. During the year, I made 1,656 entries in order to keep this census on a current basis.

Again, I want to thank all residents who continue to support me throughout the year. I also serve all Departments as a Notary Public and Justice of the Peace. I still find it a pleasure to serve the citizens of Kingston as I complete 29 years as Tax Collector and 19 years as Town Clerk.

WARRANT

THE STATE OF NEW HAMPSHIRE

1989 TOWN WARRANT

**The Polls Will Be Open FROM 10:00 A.M. to 7:00 P.M.
ABSENTEE BALLOTS WILL BE PROCESSED AT 1:30 P.M.**

To the Inhabitants of the Town of Kingston in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Kingston on Tuesday, the 14th day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow such sums of money in anticipation of the collection of taxes for the current year and to issue in the name of the Town, negotiable notes, the aforesaid notes to be paid during the current year from taxes collected during the year.
4. To see if the Town will vote to authorize the Tax Collector to allow a deduction of 1½% from Town Property Tax when payment is made within 30 days of billing.

Article 5. see if the Town will adopt Amendment Number 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Adoption of an Aquifer Protection Ordinance which will regulate land use, building and development on any land that lies over the aquifers that run under Kingston. Present non-conforming uses which are not imminent hazards to public health and safety will be allowed to continue.

This Amendment is submitted by the Conservation Commission. The Planning Board approves this Amendment.

KINGSTON AQUIFER PROTECTION ORDINANCE

1. AUTHORITY AND PURPOSE

Pursuant to RSA 674:16-21, the Town of Kingston hereby adopts an Aquifer Protection District and accompanying regulations in order to protect, preserve and maintain potential groundwater supplies and related groundwater recharge areas within a known aquifer identified by the United States Geological Survey. The objectives of the aquifer protection district are:

- to protect the public health and general welfare of the citizens of Kingston;
- to prevent development and land use practices that would contaminate or reduce the recharge of the identified aquifer;
- to promote future growth and development of the Town, in accordance with the Master Plan, by ensuring the future availability of public and private water supplies;
- to encourage uses that can appropriately and safely be located in the aquifer recharge areas.

2. DEFINITIONS

Animal Feedlot: A commercial agricultural establishment consisting of confined feeding areas and related structures used for the raising of livestock. An animal feedlot shall be considered one on which more than five (5) animals are raised simultaneously.

Aquifer: For the purpose of this Ordinance, aquifer means a geologic formation, group of formations, or part of a formation that is capable of yielding quantities of groundwater usable for municipal or private water supplies.

Dwelling Unit: A building or that portion of a building consisting of one or more rooms designed for living and sleeping purposes, including kitchen and sanitary facilities and intended for occupancy by not more than one family or household.

Groundwater: All the water below the land surface in the zone of saturation or in rock fractures capable of yielding water to a well.

Groundwater Recharge: The infiltration of precipitation through surface soil materials into groundwater. Recharge may also occur from surface waters, including lakes, streams and wetlands.

Leachable Wastes: Waste materials, including solid wastes, sludge and agricultural wastes that are capable of releasing contaminants to the surrounding environment.

Mining of Land: The removal of geologic materials such as topsoil, sand and gravel, metallic ores, or bedrock to be crushed or used as building stone.

Non-Conforming Use: Any lawful use of buildings, structures, premises, land or parts thereof existing as of the effective date of this Ordinance, or amendment thereto, and not in conformance with the provisions of this Ordinance, shall be considered to be a non-conforming use.

Non-Municipal Well: Any well not owned and operated by the Town of Kingston or its agent.

Recharge Area: The land surface area from which groundwater recharge occurs.

Sludge: Residual materials produced by the sewage treatment process.

Solid Waste: Any discarded or abandoned material including refuse, putrescible material, septage, or sludge, as defined by New Hampshire Solid Waste Rules He-P 1901.03. Solid Waste includes solid, liquid, semi-solid, or contain gaseous waste material resulting from residential, industrial, commercial, mining, and agricultural operations.

Structure: Anything constructed or erected, except a boundary wall or fence, the use of which requires location on the ground or attachment to something on the ground. For the purposes of this Ordinance, buildings are structures.

Toxic or Hazardous Materials: Any substance or mixture of such physical, chemical, or infectious characteristics as to pose a significant, actual or potential hazard to water supplies, or other hazard to human health, if such substance or mixture were discharged to land or waters of this Town. Toxic or hazardous materials include, without limitation, volatile organic chemicals, petroleum products, heavy metals, radioactive or infectious wastes, acids and alkalies, and include products such as pesticides, herbicides, solvents and thinners, and such other substances as defined in New Hampshire Water Supply and Pollution Control Rules, Section Ws 410.04 (1), in New Hampshire Solid Waste Rules He-P 1901.03 (v), and in the Code of Federal Regulations 40 CFR 261. Wastes generated by the following commercial activities are presumed to be toxic or hazardous, unless and except to the extent that anyone engaging in such an activity can demonstrate the contrary to the satisfaction of the Planning Board:

- Airplane, boat and motor vehicle service and repair;
- Chemical and bacteriological laboratory operation;
- Dry Cleaning;
- Electronic circuit manufacturing;
- Metal plating, finishing and polishing;
- Motor and machinery service and assembly;
- Painting, wood preserving and furniture stripping;
- Pesticide and herbicide application;
- Photographic processing;
- Printing.

3. DISTRICT BOUNDARIES

a. Location

The Aquifer Protection District is defined as the areas described on the following maps; those areas designated by dark, light and hatched shadings on the Master plan map entitled Water Resources; the areas designated as having high, medium, and low potential to yield water according to the United States Geological Survey map series #77-69 (Cotton Maps); areas designated as “Stratified Drift Aquifer” and “Stratified Drifer Aquifer Over Glacio-Estuarine Silts and Clays” on the map entitled “Surfical Geologic Map of Kingston Quadrangle Rockingham County, NH”, by Forrest B. Earl; and subsequent USGS mapping information.

The Aquifer Protection District is a zoning overlay district which imposes additional requirements and restrictions to those of the underlying, base district zoning. In all cases, the more restrictive requirement(s) shall apply.

b. Recharge Areas

For the purpose of this Ordinance, the primary recharge area for the identified aquifer is considered to be co-terminus with that aquifer.

No secondary recharge area has been identified at the time of enactment.

c. Appeals

Where the bounds of the identified aquifer or recharge area, as delineated, are in doubt or in dispute, any landowner aggrieved by such delineation may appeal the boundary location to the Planning Board. Upon receipt of such appeal, the Planning Board shall suspend further action on development plans related to the area under appeal and shall engage, at the

landowner's expense, a qualified hydrogeologist to prepare a report determining the proper location and extent of the aquifer and recharge area relative to the property in question. The aquifer delineation shall be modified by such determination subject to review and approval by the Planning Board.

4. USE REGULATIONS

a. Minimum Lot Size

The minimum lot size within the Aquifer Protection District for each dwelling unit if a residential use, or each principal building if a non-residential use, shall be three acres, or 130,680 square feet.

b. Hydrogeologic Study

For development proposals within the Aquifer Protection District, a hydrogeologic study shall be required for the following:

- 1) subdivisions of ten (10) lots or greater;
- 2) any septic system or series of septic systems designed for 2,400 gallons per day or greater contained within one lot.

For residential subdivisions of ten (10) lots or less the Planning Board shall determine, on a case-by-case basis, the need for a hydrogeologic study. Particularly sensitive sites may include areas that have septic systems in close proximity to wells, or may contain excessively drained soils or steep slopes.

Hydrogeologic studies shall be performed by a qualified hydrogeologist registered in the State of New Hampshire. This study shall be sufficiently detailed to evaluate the development's impacts to groundwater within both the parcel to be developed and the surrounding land. All Hydrogeologic studies shall include at least the following:

- 1) Multi-level monitoring wells (to evaluate soil stratigraphy);
- 2) Cumulative impact nitrogen loading analysis employing a saturation build-out model. The analysis shall include verification that the development will not cause the nitrate-nitrogen (N03-N) concentration in groundwater beyond the site to exceed 5 mg/1;
- 3) Permeability testing;
- 4) Water quality sampling analysis;
- 5) Water table contours and groundwater flow direction.

c. **Maximum Lot Coverage**

Within the Aquifer Protection District, no more than 20 percent of a single lot may be rendered impervious to groundwater infiltration for residential uses, and no more than 35 percent for commercial uses.

d. **Septic System Design Installation**

In addition to meeting all local and state septic system siting requirements, all new on-lot waste water disposal systems installed in the Aquifer Protection District shall be designed by a Sanitary Engineer licensed in New Hampshire. These systems shall be installed under the supervision of said engineer.

A designated engineer of the Town shall inspect the installation of each new system prior to covering, and shall certify that the system has been installed as designed.

Septic systems are to be constructed in accordance with the most recent edition of the "Guide for the Design, Operation and Maintenance of Small Sewage Disposal Systems" as published by the New Hampshire Water Supply and Pollution Control Division.

However, the following more stringent requirements shall apply to all septic system construction:

1. At least 24 inches of natural permeable soil above the seasonal high water table.
2. Four feet of natural soil above bedrock.
3. There will be at least three feet of natural permeable soil above any impermeable subsoil.
4. There will be no filling of wetlands allowed to provide the minimum distance of septic to wetlands.
5. A receiving layer which must be under and extend one hundred feet laterally from the proposed system.
6. Standards for fill material: Fill material consisting of organic soils or other organic materials such as tree stumps, sawdust, wood chips and bark, even with a soil matrix, shall not be used.

The in-place fill should have less than 15% organic soil by volume.

The in-place fill should not contain more than 25% by volume of cobbles (6 inch diameter).

The in-place fill should not have more than 15% by weight of clay size (0.002mm and smaller) particles.

The fill should be essentially homogeneous. If bedding planes and other discontinuities are present, detailed analysis is necessary.

e. Prohibited Uses

The following uses are prohibited in the Aquifer Protection Zone except where permitted to continue as a non-conforming use. Such uses shall include, but not be limited to:

1. Disposal of solid waste (as defined by NHRSA 149-M) other than brush or stumps generated on the property on which they are to be disposed.
2. Storage and disposal of hazardous waste.
3. Disposal of liquid or leachable wastes except that from one- or two-family residential subsurface disposal systems, or as otherwise permitted as a conditional use.
4. Subsurface storage of petroleum and other refined petroleum products.
5. Industrial uses which discharge contact type process waters on-site. Non-contact cooling water is permitted.
6. Outdoor storage of road salt or other de-icing chemicals.
7. Dumping of snow containing de-icing chemicals brought from outside the district.
8. Commercial Animal feedlots.
9. Dry cleaning Establishments.
10. Automotive service and repair shops, junk and salvage yards.
11. Laundry and car wash establishments not served by a central municipal sewer.
12. All on site handling, disposal, storage, processing or recycling of hazardous or toxic materials.

f. Permitted Uses

The following activities may be permitted provided they are conducted in accordance with the purposes and intent of this Ordinance:

1. Any use permitted by Articles IV - VII of the Town of Kingston Zoning Ordinance, except as prohibited in Section 4 of this article.
2. Activities designed for conservation of soil, water, plants and wildlife.
3. Outdoor recreation, nature study, boating, fishing and hunting where otherwise legally permitted.
4. Normal operation and maintenance of existing water bodies and dams, splash boards and other water control, supply and conservation devices.
5. Foot, bicycle, and/or horse paths and bridges.
6. Maintenance, repair of any existing structure, provided there is no increase in impermeable surface above the limit established in Section 4.c. of this Article.
7. Farming, gardening, nursery, forestry, harvesting and grazing, provided that fertilizers, herbicides, pesticides, manure and other leachables are used appropriately at levels that will not cause groundwater contamination and are stored under shelter.

g. Conditional Uses

The following uses, if allowed in the underlying zoning district, are permitted only after a Conditional Use Permit is granted by the Kingston Planning Board:

1. Industrial and commercial uses not otherwise prohibited in section 4 of this Article;
2. Multi-family residential development.
3. Sand and gravel excavation and other mining provided that such excavation or mining is not carried out within eight (8) vertical feet of the seasonal high water table and that periodic inspections are made by the Planning Board or its agent to determine compliance.

The Planning Board may grant a Conditional Use Permit for those uses listed above only after written findings of fact are made that all of the following conditions are met:

- i. The proposed use will not detrimentally affect the quality of the groundwater contained in the aquifer by directly contributing to pollution or by increasing the long-term susceptibility of the aquifer to potential pollutants;

- ii. the proposed use will not cause a significant reduction in the long-term volume of water contained in the aquifer or in the storage capacity of the aquifer;
- iii. the proposed use will discharge no waste water on site other than that typically discharged by domestic waste water disposal systems and will not involve on-site storage or disposal of toxic or hazardous wastes as herein defined;
- iv. the proposed use complies with all other applicable sections of this Article.
- v. a hydrogeologic study shall be submitted for uses whose septic system is designed for more than 2,400 g.p.d.

The Planning Board may require that the applicant provide data or reports prepared by a qualified hydrogeologist to assess any potential damage to the aquifer that may result from the proposed use. The Planning Board shall engage such professional assistance as it requires to adequately evaluate such reports and to evaluate, in general, the proposed use in light of the above criteria.

5. SPECIAL EXCEPTION FOR LOTS OF RECORD

Upon application to the Board of Adjustment, a special exception shall be granted to permit the erection of a structure on a non-conforming lot within the Aquifer Protection District provided that all of the following conditions are met:

- a. The lot upon which an exception is sought was an official lot of record, as recorded in the Rockingham County Register of Deeds, prior to the date on which this amendment was posted and published in the Town.
- b. The use for which an exception is sought cannot feasibly be carried out on a portion or portions of the lot which are outside the Aquifer Protection District.
- c. Due to the provisions of the Aquifer Protection District, no reasonable and economically viable use of the lot can be made without the exception.
- d. The design and construction of the proposed use will, to the extent practical, be consistent with the purpose and intent of this Section.

6. DESIGN AND OPERATIONS GUIDELINES

Where applicable the following design and operation guidelines shall be observed within the Aquifer Protection District.

- a. **Nitrate loading.** No development shall cause the nitrate-nitrogen (N03-N) concentration to exceed 5 mg/1 in the groundwater beyond the site.
- b. **Safeguards.** Provision shall be made to protect against toxic or hazardous materials discharge or loss resulting from corrosion, accidental damage, spillage, or vandalism through measures such as: spill control provisions in the vicinity of chemical or fuel delivery points; secured storage areas for toxic or hazardous materials; and indoor storage provisions for corrodable or dissolvable materials. For operations which allow the evaporation of toxic or hazardous materials into the interiors of any structures, a closed vapor recovery system shall be provided for each such structure to prevent discharge of contaminated condensate into the groundwater.
- c. **Location.** Where the premises are partially outside of the Aquifer Protection Overlay Zone, potential pollution sources such as on-site waste disposal systems shall be located outside the Zone to the extent feasible.
- d. **Drainage.** All runoff from impervious surface shall be recharged on the site, and diverted toward areas covered with vegetation for surface infiltration to the extent possible. Dry wells shall be used only where other methods are not feasible, and shall be preceded by oil, grease, and sediment traps to facilitate removal of contaminants.
- e. **Inspection.** All conditional uses granted under Section 4.g. of this Article shall be subject to twice-annual inspections by the Building Inspector or other agent designated by the Selectmen. The purpose of these inspections is to ensure continued compliance with the conditions under which approvals were granted. A fee for inspection shall be charged to the owner according to a fee schedule determined by the Selectmen.

7. NON-CONFORMING USES:

Any non-conforming use may continue and may be maintained, repaired and improved, unless such use is determined to be an imminent hazard to public health and safety. No non-conforming use may be expanded, changed to another non-conforming use, or renewed after it has been discontinued for a period of 12 months or more.

8. ADMINISTRATION

- a. **General:** The provisions of the Aquifer Protection District shall be administered by the Planning Board. All development proposals, other than single or two-family residential construction not involving the subdivision of land, shall be subject to subdivision and/or site plan review and approval in accordance with Planning Board rules and regulations. Such review and approval shall precede the issuance of any building permit by the Town.
- b. **Enforcement:** The Board of Selectmen shall be responsible for the enforcement of the provisions and conditions of the Aquifer Protection District.

9. EFFECTIVE DATE

This article shall become effective upon the date of passage.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Article 6. To see if the Town will adopt Amendment Number 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Adoption of a River Corridor Protection Ordinance which will regulate land use, building and development within 300 feet of Little River and within 150 feet of other perennial brooks and streams.

This Amendment is submitted by the Conservation Commission. The Planning Board approves this Amendment.

RIVER CORRIDOR PROTECTION ORDINANCE

A. AUTHORITY AND PURPOSE

Pursuant to RSA 674:16-21 the Town of Kingston hereby adopts the River Corridor Protection District and accompanying regulations in order to protect and promote public health, resource conservation and the general welfare and to:

1. Protect, maintain and enhance the water quality of the Little River and its tributaries in the Town of Kingston, and to ensure its continued availability as a public water supply;
2. Conserve and protect aquatic and terrestrial habitat associated with river areas;
3. Preserve and enhance those recreational and aesthetic values associated with the natural shoreline and river environment;
4. Encourage those uses that can be appropriately located adjacent to shorelines.

B. DEFINITIONS

1. **Bulk Storage.** Storage of materials intended for wholesale distribution or used in a manufacturing facility.
2. **Hazardous and toxic materials.** Includes but is not limited to volatile organic chemicals, petroleum products, heavy metals, radioactive or infectious wastes, acids, and alkalies, pesticides, herbicides, solvents and thinners, and such other substances as defined in N.H. Water Supply and Pollution Control Rules, Section Ws 410.04 (1), in N.H. Solid Waste Rules He-P 1901.03 (v), and in the Code of Federal Regulations 40 CFR 261.
3. **Perennial brooks and streams.** Brooks and streams that appear on U.S. Geological Survey quadrangle maps (7.5" scale, 1": 24,000") covering the Town of Kingston.
4. **Residential accessory building.** A subordinate building located on the same lot as the main building, the use of which is incidental to the main building, and discharges no sewage or other wastes.
5. **Seasonal High Water Level.** The average annual high water elevation of a stream, brook or river, including contiguous wetlands and floodplains.
6. **Shoreline.** The water's edge at seasonal high water level.

C. DISTRICT BOUNDARIES

The River Corridor Protection District in the Town of Kingston is defined as:

1. The areas of land within 300 feet horizontal distance of the seasonal high water level of the Exeter River and its major tributaries. Major tributaries within the Town of Kingston are defined to be the following: Little River (in the north side of town).
2. In addition, the areas of land within 150 feet horizontal distance of the seasonal high water level of all perennial brooks and streams within the Exeter River Watershed which appear on U.S.G.S. quadrangle maps (7.5" scale 1":24,000) covering the Town of Kingston, as revised.

D. USE REGULATIONS

1. **Minimum Lot Size:** The minimum lot size within the River Corridor Protection District shall be the same as required in the underlying Zoning District and by applicable subdivision regulations for the Town.
2. **Maximum Lot Coverage:** Structures, including pavement, shall not cover more than 20% of any lot or portion thereof within the River Corridor Protection District.
3. **Building Setbacks:** No building, except any accessory building permitted as a Conditional Use, septic system or septic system leaching field shall be constructed on or moved to a site within 150 feet from the shoreline of the Little River, or its major tributaries as herein defined, or within 100 feet from the shoreline of perennial brooks and streams located within the River Corridor Protection District.
4. **Surface Alterations:** Alteration of the surface configuration of land by the addition of fill or by dredging shall be permitted within 150 feet of the shoreline of the Little River or its major tributaries only to the extent necessitated by a permitted or conditionally permitted use, or for the construction of transmission lines and access ways, including driveways.
5. **Vegetative Buffer:** Alteration of natural vegetation or managed woodland within 75 feet of the shoreline of the Little River or its major tributaries shall be permitted only to the extent necessitated by a permitted or conditionally permitted use, or by the

construction of transmission lines and access ways, including driveways.

6. **Prohibited Uses:** The following uses shall not be permitted within the River Corridor Protection District:
- a. Disposal of solid waste (as defined by the N.H. RSA (149-M) other than brush.
 - b. On site handling, disposal, bulk storage, processing or recycling of hazardous or toxic materials.
 - c. Disposal of liquid or leachable wastes, except from residential subsurface disposal systems, and approved commercial or industrial systems that are otherwise permitted by this section.
 - d. Buried storage of petroleum fuel and other refined petroleum products except as regulated by the NH Water Supply and Pollution Control Division (Ws 411 Control of Non-residential Underground Storage and Handling of Oil and Petroleum Liquids). Storage tanks for petroleum products, if contained within basements, are permitted.
 - e. Outdoor unenclosed or uncovered storage of road salt and other de-icing chemicals.
 - f. Dumping of snow containing road salt or other de-icing chemicals.
 - g. Commercial animal feedlots.
 - h. Automotive service and repair shops; junk and salvage yards.
 - i. Dry cleaning establishments.
 - j. Laundry and car wash establishments not served by a central municipal sewer system.
 - k. Earth excavation as defined by RSA 155:E, within 150 feet of the Little River or its major tributaries. It is prohibited to conduct said excavation within four feet of the Seasonal High Water Table.

7. Conditional Uses:

- a. The following uses, if allowed in the underlying zoning district, are permitted only after a Conditional Use Permit is granted by the Kingston Planning Board.
 1. Industrial and commercial uses not otherwise prohibited in Section D.6 of these regulations.
 2. Multi-family residential development.
 3. The clearing of natural vegetation for the creation of new agricultural land not closer than 20 feet to a shoreline, provided that all agricultural activities comply with Best Management Practices as prescribed by the Rockingham County Conservation District.
 4. Residential accessory buildings, of less than 400 square feet in first floor area, within 150 feet of the Little River or its major tributaries, or within 100 feet of perennial brooks and streams located within the River Corridor Protection District.
- b. The Planning Board may grant a Conditional Use Permit for those uses listed above only after written findings of fact are made that all of the following are true:
 1. The proposed use will not detrimentally affect the surface water quality of the adjacent river or tributary, or otherwise result in unhealthful conditions.
 2. The proposed use will discharge no waste water on site other than that normally discharged by domestic waste water disposal systems and will not involve on-site storage or disposal of hazardous or toxic wastes as herein defined.
 3. The proposed use will not result in undue damage to spawning grounds and other wildlife habitat.
 4. The proposed use complies with the use regulations identified in Section D and all other applicable sections of the article.
 5. The design and construction of the proposed use will be consistent with the intent of the purposes set forth in Section A.

8. **Special Exception for Lots of Record.** A special exception shall be granted by the Board of Adjustment to permit the erection of a structure within the River Corridor Protection District provided that all of the following conditions are found to exist:
- a. The lot upon which an exception is sought was an official lot of record, as recorded in the Rockingham County Registry of Deeds, prior to the date on which this amendment was posted and published in the Town.
 - b. The use for which the exception is sought cannot feasibly be carried out on a portion or portions of the lot which are outside the Corridor Protection District.
 - c. Due to the provisions of the River Corridor Protection District, no reasonable and economically viable use of the lot can be made without the exception.
 - d. The design and construction of the proposed use will, to the extent practical, be consistent with the purpose and intent of this Section.
9. **Permitted Uses:** The following uses are permitted within the River Corridor Protection District provided they are conducted in accordance with the purpose and intent of this Ordinance.
- a. Agricultural, including grazing, hay production, truck gardening and silage production, provided that such use will not cause increases in surface or groundwater contamination by pesticides, fertilizers, or other hazardous or toxic substances and that such use will not cause or contribute to substantial soil erosion and stream sedimentation. However, no clearing of natural vegetation within the vegetated buffer (as defined in Section D.5 above) shall be permitted for the purpose of establishing new tilled and cultivated farmland without a Conditional Use Permit (7.d). All pesticide applications shall be conducted in strict accordance with the requirements set forth in N.H. RSA 430:28 **et seq.**
 - b. Forest Management, including the construction of access ways for said purpose. The cutting of trees shall be limited to fifty percent (50%) of the basal area of all live trees two (2) inches in diameter (as measured four and one-half feet above the ground) and over, before any trees were removed from specified area, in a 20-year period. The remaining uncut trees shall be left well distributed throughout the harvested area. On slopes greater than fifteen percent (15%), tree cutting as described above shall be limited to 25%.

- c. Uses permitted in the underlying district of the Zoning Ordinance, except for those listed as conditional uses in Section D.7 and those prohibited in Section D.6.

10. **Non-Conforming Uses:**

- a. Non-Conforming uses in existence prior to the enactment of this Ordinance may be continued, maintained, repaired and improved, unless and until such use becomes an imminent hazard to public health and safety. Non-conforming uses may not be expanded or changed to other non-conforming uses.
- b. Non non-conforming use may be renewed after being discontinued for a period of 12 months.

E. ADMINISTRATION

- 1. **General:** The provisions of the River Corridor Protection District Ordinance shall be administered by the following:
 - a. Building Inspector for building permits;
 - b. Planning Board for subdivision, site plan review, and conditional use approval; and
 - c. Zoning Board of Adjustment for special exception approval of existing lots.
- 2. **Enforcement:** The Board of Selectmen shall be responsible for the enforcement of the provisions and conditions of the River Corridor Protection District Ordinance.

EFFECTIVE DATE

This Article shall become effective upon the date of passage.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Article 7: To see if the Town will adopt Amendment Number 3 as proposed by the Plannning Board for the Town Zoning Ordinance as follows:

Adoption of a Campground Ordinance regulating the use of campgrounds of ten or more sites by restricting occupancy to the period from May 1 to October 15 and imposing other requirements.

This Amendment was submitted by the Health Officer.
The Planning Board approves this Amendment.

CAMPGROUND ORDINANCE

1. Definitions:

- a. For purposes of this ordinance the following terms shall apply.
 1. The term "camping site" shall mean any area in a campground that will be used for the purpose of accommodating a tent or camper unit.
 2. The term "camper unit" shall mean any recreational vehicle, trailer, tent trailer, van, pickup camper, etc. (but not including mobile homes) which can be used to sleep in.
 3. The term "mobile home" shall mean any trailer unit exceeding 40 feet in length.
 4. The term "campground" shall mean a recreational camping park on which 10 or more tents, or camper units are used as temporary living quarters for recreational use, and a fee is charged for such land use.
2. The camping season shall be from May 1st thru October 15th. No campground may be occupied during off-season.
3. Camping shall be restricted to tents and camper units.
4. Adequate community bathroom facilities shall be provided for all tent sites.
5. No camper unit shall be located in any camping site that does not have a proper hookup to an approved septic system. No individual holding tanks will be permitted.
6. No camper unit shall be installed on a camping site in such a way as to consider it permanent. This shall include but is not limited to the following methods.
 - a. No removal of tires.
 - b. No removal of towing arms, hitches, etc.
 - c. No mounting on blocks, except for the purpose of leveling.
 - d. No skirting around the base of any camper unit.
7. No porches or enclosed areas shall be attached to any camper unit unless the porch or enclosed area has been designed to be removed and packed for travel.
8. All water, electric, telephone, and septic systems shall be disconnected from all camper units during off-season.

9. Should any section or provision of this Ordinance be declared by a Court of appropriate jurisdiction to be invalid, such decision shall not invalidate any other section or provisions of this Ordinance.
10. Any person who violates any provision of this Ordinance shall be subject to a fine of \$100.00 per day for each day the violation is found to exist.
11. This Ordinance shall become effective upon its acceptance at Town Meeting.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Article 8. To see if the Town will adopt Amendment Number 4 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article II, section 2.20, paragraph 1 by substituting the words “per unit” for the words “per floor” so that that paragraph shall provide:

1. Apartments. One or more rooms, including cooking facilities and sanitary facilities in a dwelling designed as a unit for occupancy by not more than one (1) family for living and sleeping purposes. A minimum living area of 600 square feet **per unit** is required.

This Amendment is submitted by the Selectmen.
The Planning Board approves this Amendment.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Article 9. To see if the Town will adopt Amendment Number 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article II, section 2.20, paragraph 13 by substituting the words “from May 1 to October 15” for the words “primarily during the summer months” so that that paragraph shall provide:

13. **Seasonal Residence.** (Amended 3-11-80) One used or intended for use primarily **from May 1 to October 15.**

The Amendment is submitted by the Selectmen.
The Planning Board approves this Amendment.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Article 10. To see if the Town will adopt Amendment Number 6 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article II, section 2.20, paragraph 14 so that that paragraph shall provide:

14. Conversion. (Amended 3-11-80) A structural change to adapt or alter **an existing structure which would increase the load on a sewage disposal system.**

This Amendment is submitted by the Health Officer.
The Planning Board approves this Amendment.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Article 11. To see if the Town will adopt Amendment Number 7 for the Town Zoning Ordinance, as follows:

On petition of Alfred E. Choquette and 26 others, to see if the Town is in favor of amending the Zoning and Building Code of the Town of Kingston, New Hampshire, adopted March 14, 1978, and as amended, by adding to and amending:

4.61 All land located within the area bounded on the North by Scotland Road beginning at a point which is 350 feet Easterly of the centerline of Main Street (Route 111), and extending East along the Southerly side of Scotland Road a distance of 1,200 feet; bounded on the East by a line perpendicular to Scotland Road a distance of 420 feet, more or less; bounded on the North by a line 400 feet, more or less; bounded on the East by a line 620 feet, more or less; bounded on the North by a line 280 feet, more or less; bounded on the East along the Westerly side of Route 125, 370 feet, more or less; bounded on the South by a line 620 feet, more or less; bounded on the East by a line 240 feet, more or less; bounded on the South by a line parallel to Scotland Road running in a Westerly direction a distance of approximately 1,600 feet; and bounded on the West by a line which is 350 feet from the centerline of Main Street (Route 111) running parallel to Main Street and Northerly for a distance of 1,650 feet to the Southerly side of Scotland Road shall be included in the Housing for Elderly District.

The Planning Board approves this Amendment.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Article 12: To see if the Town will adopt Amendment Number 8 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article IV, section 4.77, paragraph b. by inserting the words “or propose construction that would be subject to site plan review” so that that paragraph shall provide:

b. Subdivisions and Site Plan Review

Any person who desires to subdivide land or propose construction that would be subject to site plan review within the Wetlands Conservation District shall submit to the Planning Board, in addition to all other requirements stipulated in the subdivision regulations, five (5) copies (copies are given to the Board of Selectmen, Conservation Commission, Town Engineer, and two retained by the Planning Board) of a drainage report and calculations prepared by a Registered Professional Engineer describing the extent of impact on the wetlands.

This Amendment is submitted by the Planning Board.
The Planning Board approves this Amendment.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Article 13. To see if the Town will adopt Amendment Number 9 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article IV, section 4.77, paragraph d. by inserting the words “and prohibit” so that that paragraph shall provide:

d. The appropriate Board shall be entitled to review, regulate **and prohibit** development proposals.

This Amendment is submitted by the Selectmen.
The Planning Board approves this Amendment.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Article 14. To see if the Town will adopt Amendment Number 10 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article 5.30 by inserting the words “**OR CONTIGUOUS LOTS**” and “or a contiguous lot to other lots” so that that article shall provide:

5.30 **LOTS OF CONTINUOUS FRONTAGE OR CONTIGUOUS LOTS**
In any district in which structures are permitted, a structure may be erected on each lot which was a lot of record at the date of adoption or amendment of this ordinance, even though such lot fails to meet the requirements for area or width or both, that are applicable in the district, provided such lot is not of continuous frontage **or a contiguous lot to other lots** of the same ownership.

This Amendment is submitted by the Planning Board.
The Planning Board approves this Amendment.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Article 15. To see if the Town will adopt Amendment Number 11 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article VII, section 7.20, by substituting the words “Planning Board” for Board of Selectmen” so that that Article shall provide:

7.20 No pit for removal and sale of sand, gravel, stone or earth shall be opened hereafter or operated without the specific approval of the **Planning Board** and subject to regulations established by them and ordinances passed at Town Meeting.

This Amendment is submitted by the Selectmen.
The Planning Board approves this Amendment.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Article 16: To see if the Town will adopt Amendment Number 12 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article VIII, section 7.33 by adding a second sentence so that that article shall provide:

7.33 One small sign, not to exceed two (2) square feet in area, used for identification at the business location, may be installed on the building. **If the business is located in a plaza or mall, then each business may have a sign no larger than 24 square feet affixed to its building.**

This Amendment is submitted by the Selectmen.
The Planning Board approves this Amendment.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Article 17. To see if the Town will adopt Amendment Number 13 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article VIII, section 8.20 by substituting the words “one hundred dollars (\$100.00) for ten dollars (\$10.00)” so that that Article shall provide:

8.20 Every person, persons, firm or corporation violating this Ordinance, upon conviction, shall be fined not more than **one hundred dollars (\$100.00)** for each day such violation may exist.

This Amendment is submitted by the Selectmen.
The Planning Board approves this Amendment.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Article 18: To see if the Town will adopt Amendment Number 14 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend the Innovative Zoning Ordinance as adopted at the annual Town Meeting held March 11, 1986 by inserting a new subparagraph C.1.c. so that sections C.1.c., C.1.d., and C.1.e. shall provide:

C.1.c. **Dwelling units shall be permanent structures on foundations.**
d. Buildings accessory to a permitted use.
e. Outdoor recreation, which is incidental to residential use, provided that such use does not result in noise, odors, unsightly or dangerous activities which are injurious or detrimental to the neighborhood.

This Amendment is submitted by the Planning Board.
The Planning Board approves this Amendment.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Article 19: To see if the Town will adopt Amendment Number 15 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article VIII, Section 8.20 by substituting the words “one hundred dollars (\$100.00) for ten dollars (\$10.00)” so that that Article shall provide:

C.2.a. The total number of dwelling units allowed within a cluster development shall be no greater than that permitted for a conventional subdivision or multi-family use on the same parcel under the Kingston Zoning Ordinance and Subdivision Regulations. The overall building density for a cluster development shall be determined by subtracting all land that would be excluded from development by the Kingston Wetlands Ordinance, then subtracting ten percent of the remaining land for roads and utilities, the remainder of this would be divided by 80,000 square feet to determine the number of dwelling units. The allowed number of units may be grouped or dispersed over the project area in any fashion within the limits imposed by applicable lot dimension restrictions and septic system siting requirements. **As a guide, bedroom density should not exceed four bedrooms per 80,000 square feet.**

This Amendment is submitted by the Planning Board.
The Planning Board approves this Amendment.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Article 20: To see if the Town will adopt Amendment Number 16 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend the Gravel Pit Ordinance as adopted by the Kingston Board of Selectmen in accordance with N.H. RSA 31:41-b as of March 14, 1979 and amended March 11, 1981 by adding a sentence at the end of paragraph 5 so that that paragraph shall provide:

5. All excavated regions must be reclaimed within one (1) year after the date of gravel pit permit by depositing three (3) inches of loam and seeding area with a perennial seed to produce a permanent vegetation cover. **Where less than three inches of topsoil is present on site before excavation begins, alternate reclamation procedures as recommended by the Soil Conservation Service may be used.**

This Amendment is submitted by the Planning Board.
The Planning Board approves this Amendment.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Article 21: “Shall we adopt optional adjusted elderly exemptions from property tax? The optional exemptions, based on assessed value, for qualified taxpayers shall be as follows: for person 65 years of age up to 75 years, \$42,160; for a person 75 years of age up to 80 years, \$63,240; for a person 80 years of age or older, \$84,320. To qualify, the person must have been a New Hampshire resident for at least five years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least five years. In addition, the taxpayer must have a net income of less than \$10,000 or, if married, a combined net income of less than \$12,000 dollars; and own net assets of \$40,000 or less, excluding the value of the person’s residence.”

SAID ARTICLE TO BE VOTED ON BY BALLOT
RECOMMENDED BY BUDGET COMMITTEE

Article 22. On petition of Ralph W. Dumke and sixty-five (65) other registered voters in accordance with RSA 41:8-a, 8-b, 8-d “Are you in favor of increasing the Board of Selectmen to 5 members?

SAID ARTICLE TO BE VOTED ON BY BALLOT
NOT RECOMMENDED BY BUDGET COMMITTEE

Article 23. To see if the Town will vote to raise and appropriate the sum of \$7,557 to be placed in the Capital Reserve Fund, in accordance with RSA 35:1-11, for the future replacement of the Fire Department Ambulance.

RECOMMENDED BY BUDGET COMMITTEE

Article 24. To see if the Town will vote to raise and appropriate the sum of \$115,000 for the purpose of the design (architectural and engineering) of a stand alone structure of sufficient size to house the Town Offices and Police Station or take any other action thereto.

NOT RECOMMENDED BY BUDGET COMMITTEE.

Article 25. To see if the Town will vote to raise and appropriate the sum of \$115,000 for the purpose of the design (architectural and engineering) of an addition to the present Town Hall of sufficient size to house the Town Offices and Police Station or take any other action thereto.

RECOMMENDED BY BUDGET COMMITTEE

Article 26. To see if the Town will vote to raise and appropriate the sum of \$13,500 to have the Town Hall, Library and Fire Stations properties surveyed as recommended in the Building Needs Report.

RECOMMENDED BY BUDGET COMMITTEE.

Article 27. To see if the Town will vote to raise and appropriate the sum of \$131.06 from the Federal Revenue Sharing Fund and to further authorize the appropriation of said monies for the purpose of office equipment for the Town Offices.

RECOMMENDED BY BUDGET COMMITTEE.

Article 28. To see if the Town will vote to raise and appropriate the sum of \$2,200 to be added to the Cemetery Maintenance Fund.

RECOMMENDED BY BUDGET COMMITTEE.

Article 29. To see if the Town will vote to authorize the Selectmen to join a subdistrict, under the provisions of R.S.A. 149-M:18, within the existing 149-M District and draft a Solid Waste Management plan for the subdistrict by October 1, 1989. The direction of the plan shall be to set up a Solid Waste Implementation District under the provisions of R.S.A. 53-A. The plan shall be submitted for approval by the Town before adoption and to further see if the Town will vote to raise and appropriate the sum of \$8,000 for the payment of the Town's share of the planning sub-district's (149-M) budget: The district will potentially

include five (5) member towns: Kingston, East Kingston, Newton, Hampstead and Exeter.

RECOMMENDED BY BUDGET COMMITTEE.

Article 30. To see if the Town will vote to raise and appropriate the sum of \$45,000 for weigh scales and accessory equipment for the dump.

NOT RECOMMENDED BY BUDGET COMMITTEE.

Article 31. On petition of Bruce A. Campbell and seventeen (17) others to see if the Town will vote to raise and appropriate the sum of \$183,000 for a Recycling Facility at the Kingston Landfill to include a shed type building, recycling processing equipment, solid waste coordinator, operations and maintenance costs; and to authorize the withdrawal of said amount from the revenue generated by landfill user fees paid by surrounding towns. Contracts to be awarded by 7/1/89 by bid, and construction to be completed no later than November 1, 1989.

NOT RECOMMENDED BY BUDGET COMMITTEE.

Article 32. On petition of Carroll E. Wright and twelve (12) others to see if the Town will vote to establish a Capital Reserve Fund for the purpose of the future closing of the Kingston Landfill and to raise and appropriate the sum of \$25,190.17 to be placed in the Fund.

RECOMMENDED BY BUDGET COMMITTEE.

Article 33. By petition of Robert B. Ellard and seventeen (17) others to see if the Town will vote to authorize the Selectmen to appoint five residents of the Town to a permanent committee for planning and carrying out the celebration of the 300th Anniversary of Kingston in 1994.

Article 34. By petition of Robert B. Ellard and seventeen (17) others to see if the Town will vote to raise and appropriate the sum of \$500 for the purpose of initiating and planning the Kingston 300th Anniversary Celebration. The said \$500 may be used by the 300th Anniversary Committee subject to the approval of the Selectmen until expended from year to year with any unused planning funds to be applied to Anniversary Celebration expenditures.

RECOMMENDED BY BUDGET COMMITTEE.

Article 35. By petition of Robert B. Ellard and seventeen (17) others to see if the Town will vote to establish a Capital Reserve Fund to be known as the Kingston 300th Anniversary Celebration Capital Reserve Fund. Monies will be appropriated to the Fund from year to year by the Town and kept in an interest-bearing escrow account until they are needed for the Kingston 300th Anniversary Celebration in 1994. Monies may be withdrawn from said fund with the approval of the Selectmen of the Town of Kingston on recommendation of the 300th Anniversary Committee, but not before June 1, 1993.

NOT RECOMMENDED BY BUDGET COMMITTEE.

Article 36. By petition of Robert B. Ellard and seventeen (17) others to see if the Town will vote to raise and appropriate the sum of \$10,000 to fund the Kingston 300th Anniversary Celebration Capital Reserve Fund created by Article No. 35.

RECOMMENDED BY BUDGET COMMITTEE.

Article 37. On the petition of Russell V. Army and thirteen (13) other registered voters of Town of Kingston, to see if the Town will vote to raise and appropriate the sum of \$10,000 to be added to the Capital Reserve Fund established in the 1987 Town Warrant Article #46, for the purpose of conservation land purchase and associated costs.

RECOMMENDED BY BUDGET COMMITTEE.

Article 38. On petition of Russell V. Army and thirteen (13) other registered voters of Town of Kingston, to see whether the Town will vote to deposit all of the revenues collected pursuant to RSA 79-A (the land use change tax) in the conservation fund in accordance with RSA 36-A:5 III as authorized by RSA 79-A:25 II.

NOT RECOMMENDED BY BUDGET COMMITTEE.

Article 39. On petition of the Kingston Fire Wards and fifteen (15) others on behalf of the Kingston Fire Department: to see if the Town will vote to raise and appropriate the sum of \$25,000 to be added to the Fire Department Capital Reserve Apparatus Fund for the future replacement of Fire Department apparatus.

RECOMMENDED BY BUDGET COMMITTEE.

Article 40. On petition of the Kingston Fire Wards and twelve (12) others on behalf of the Kingston Fire Department: To see if the Town will vote to raise and appropriate the sum of \$14,000, for the six months, to authorize and establish the position of full time fire chief. Salary to start at \$28,000 per year.

NOT RECOMMENDED BY BUDGET COMMITTEE.

Article 41. On petition of Dorothy Wagner and twenty (20) other registered voters from the Town of Kingston, to see if the Town will create a Capital Reserve Fund for the purpose of future library expansion and raise and appropriate the sum of \$10,000 to be placed in said fund.

NOT RECOMMENDED BY BUDGET COMMITTEE.

Article 42. On petition of Frank M. Brosnan, Jr. and twenty-three (23) other registered voters to see if the Town of Kingston will vote to support a “Zero Tolerance War on Drugs” effort in our community. To encourage our Police, School and other authorities to take the following kinds of measures and send a clear message that we don’t want drugs in our towns:

We support active Police Patrol of all juvenile gathering places.

We support thorough Police investigations of all suspected drug activities in our communities.

We support periodic random as well as suspected specific-case pocket and locker searches and drug testing in the schools.

We encourage the local press to heavily publicize every drug arrest in our communities newspapers.

We support maximum prosecution of anyone caught dealing drugs to kids.

Article 43. On petition of Frank M. Brosnan, Jr. and twelve (12) other legal voters to see if the Town will vote to raise and appropriate \$3,000 for the Drugs Are Dangerous (D.A.D.) Organization. This money is to be used as follows: \$1,200 for a “Hope Instead of Dope” Program. This program will introduce young people in our community to individuals who have accomplished success in endeavors which might serve as inspirations and encouragement to avoid involvement in drugs. This program engages these young people in activities which might help them build success and self-esteem in their own lives. \$1,800 for a “Natural High” Program. This program will provide young people and families in our community with healthy and fun alternative activities

through the year to help guide them away from the use of drugs and alcohol.

NOT RECOMMENDED BY BUDGET COMMITTEE.

Article 44. On the petition of Frank M. Brosnan, Jr. and twenty-seven (27) other legal voters of the Town of Kingston, to see if the Town will vote to raise and appropriate \$5,700 for the Recreation Committee.

\$2,100 for a "Hope Instead of Dope" Program

\$3,600 for a "Natural High" Program

NOT RECOMMENDED BY BUDGET COMMITTEE.

Article 45. On petition of Frank M. Brosnan, Jr. and thirty-four (34) other legal voters of the Town of Kingston to see if the Town will vote to raise and appropriate the amount of \$4,800. This money is for the Police Department to use in the Town's "Zero Tolerance War Against Drugs" to hire an undercover police officer under the supervision of the Chief of Police.

RECOMMENDED BY BUDGET COMMITTEE.

Article 46. On petition of Frank M. Brosnan, Jr. and thirty-six (36) other legal voters of the Town of Kingston to see if the town will vote to raise and appropriate the amount of \$1,200. This money is for the Police Department to use towards the purchase of various items at the discretion of the Chief of Police, in the Town's "Zero Tolerance War Against Drugs".

RECOMMENDED BY BUDGET COMMITTEE.

Article 47. On petition of Dawn George and fourteen (14) other registered voters of the Town of Kingston to see if the Town will vote to raise and appropriate \$500.00 for the Richie McFarland Children's Center (\$250.00 per child; 2 children served).

RECOMMENDED BY BUDGET COMMITTEE.

Article 48. On petition of Janice A. Casey and eighteen (18) other registered voters of the Town of Kingston, to see if the Town will vote to raise and appropriate the sum of \$1,000 for the purpose of helping to defray the cost of services provided to the Town of Kingston and its residents by Area Homemaker Home Health Aide Service, Inc.

RECOMMENDED BY THE BUDGET COMMITTEE.

Article 49. On petition of Henry R. J. Chabot and ten (10) other registered voters of the Town of Kingston to see if the Town will vote to raise and appropriate the sum of \$1,500 to help defray the costs of maintenance of the Vic Geary Senior Center, Plaistow, N.H.

RECOMMENDED BY BUDGET COMMITTEE.

Article 50. On petition of C. Stanley Wentzell and fourteen (14) other registered voters of the Town of Kingston to see if the Town will vote to raise and appropriate the sum of \$638 for the purpose of defraying the cost of services provided to the Town of Kingston and its residents by Seacoast Big Brother/Big Sister of New Hampshire.

NOT RECOMMENDED BY BUDGET COMMITTEE.

Article 51. On petition of Edward J. Ahlman and thirty (30) other registered voters of the Town of Kingston to see if the Town will vote to raise and appropriate an amount not to exceed \$250 to support the Drop A Dime - Dial Against Drugs anonymous call - in line (642-4042) to get word to authorities of suspected drug activities in our town.

RECOMMENDED BY BUDGET COMMITTEE.

Article 52. On petition of Dorothy M. Wagner and twenty-four (24) other registered voters of the Town of Kingston, to see if the Town will vote to raise and appropriate the sum of \$2,000 for the support of the Child Development Council, Inc. doing business as the Kingston Children's Center. We are a non-profit organization that provides educational and child-care services, including kindergarten.

RECOMMENDED BY BUDGET COMMITTEE.

Article 53. On petition of Charlotte L. Wright and twenty-six (26) other registered voters of the Town of Kingston to see if the Town will vote to raise and appropriate the sum of \$5,000 to be added to the Recreation Department Capital Reserve Fund for a future recreation building as created in the 1984 town meeting.

RECOMMENDED BY BUDGET COMMITTEE.

Article 54. On petition of Craig Barlow and eighteen (18) other legal voters of the Town of Kingston, to create a Community Center Committee consisting of a minimum of five (5) Kingston residents to study the need for a Community Center in the Town of Kingston.

Article 55. On petition of Craig Barlow and fourteen (14) other legal voters of the Town of Kingston to see if the Town will vote to raise and appropriate the sum of \$10,000 for the purpose of instituting a feasibility study for a Community Center in the Town of Kingston.

NOT RECOMMENDED BY BUDGET COMMITTEE.

Article 56. On petition of Marion Lindsay and twelve (12) other voters to see if the Town will vote to raise and appropriate the sum of \$1,380 to the Women's Resource Center, a private non-profit organization, to assist in funding the Rape Crisis Intervention Program. Our agency trains police on sexual abuse issues and helps sexual abuse survivors in your town.

RECOMMENDED BY BUDGET COMMITTEE.

Article 57. To see if the Town will vote to repeal the election by ballot of Police officers under RSA: 41:47. effective Town Meeting, 1990. Thereafter, police officers shall be appointed by the Selectmen.

Article 58. To see if the Town will vote to repeal the election by ballot of the Police Chief under RSA 41:47 effective Town Meeting, 1990. Thereafter the Police Chief shall be appointed by the Selectmen.

Article 59. To see if the Town will vote to establish the term of office of the Police Chief including the Police Chief elected at the 1989 election, as a one year term in order to correct the erroneous action of the 1988 Town Meeting.

Article 60. To see if the Town will vote to repeal the election by ballot of Constable under RSA 41:47. and terminate the office of Constable effective Town Meeting, 1990.

Article 61. To see if the Town will vote to repeal the election by ballot of the Auditors under RSA 41:31 and terminate the office of Auditors effective Town Meeting, 1990.

RECOMMENDED BY BUDGET COMMITTEE.

Article 62. To see if the Town will vote to repeal the election by ballot of the Highway Road Agent and authorize the Selectmen to appoint the Highway Road Agent under RSA 231:62 effective with Town Meeting, 1990.

Article 63. To see if the Town will vote to indemnify and save harmless for loss or damage occurring after said vote any person employed by it and any member or officer of its governing board, administrative staff or agencies, including but not limited to Selectmen, from personal financial loss and expense including reasonable legal fees and costs, if any, arising out of any claim, demand, suit or judgement by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property if the indemnified person at the time of the accident resulting in the injury, damage or destruction was acting in the scope of his employment or office, as set forth in RSA 31:105 Law of N.H.

RECOMMENDED BY BUDGET COMMITTEE.

Article 64. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend without further action by the Town Meeting, money from the State, Federal or other governmental unit or a private source which becomes available during the 1989 calendar year provided that such expenditure be made for purposes for which a Town Meeting may appropriate money and that such expenditure not require the expenditure of other Town funds. Further, that the Board of Selectmen and the Municipal Budget Committee hold a public hearing prior to accepting and spending such money.

RECOMMENDED BY BUDGET COMMITTEE.

Article 65. To see if the Town will vote to adopt the provisions of RSA 76:15a (Supp. 1988) so that taxes will be billed and collected semi-annually as provided in that statute. Effective 1990.

RECOMMENDED BY BUDGET COMMITTEE.

Article 66. To see if the Town will vote to Accept the following Amendment to the Town Dump Ordinance.

AMENDMENT TO ORDINANCE

Approved September 7, 1988, Amended September 14, 1988 and February 8, 1989.

Paragraph 2 of Dump Ordinance to read:
“Every vehicle entering the Town Dump must have a Town Dump Permit. Sticker is to be placed as designated by the Selectmen. These stickers are to be issued by the Kingston Town Clerk. Criteria for

obtaining a sticker includes: A valid N.H. license or registration or proof as a taxpaying resident of Kingston or member towns of Brentwood, Fremont, Danville or East Kingston. Non-residents with seasonal property will be allowed one sticker. Individuals owning businesses in one of the contracted towns may be issued one sticker upon demonstration of ownership of property. A fee of \$1.00 per sticker will be charged for residential vehicles from the above towns. A fee of \$100.00 will be charged for commercial haulers of refuse. A fee of \$5.00 will be charged for other commercial business vehicles”.

RECOMMENDED BY BUDGET COMMITTEE.

Article 67. To see if the Town will vote to authorize the Selectmen to sell surplus goods and equipment from various departments at public auction or by sealed bid.

RECOMMENDED BY BUDGET COMMITTEE.

Article 68. On petition of Russell V. Army and thirteen (13) other registered voters of Town of Kingston, to see if the Town will authorize the Selectmen to accept private donations of land, interest in land or money to be deposited into the Conservation Fund RSA 36-5 for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the Selectmen to apply for and accept the State matching funds under the LCIP for the purpose of acquisition of the fee or lesser interest in conservation land. Further, that monies from the Capital Reserve Fund for conservation land purchase may be expended for the above stated purpose. Said appropriated or donated funds and the State matching funds may be expended by majority vote of the Kingston Conservation Commission.

NOT RECOMMENDED BY BUDGET COMMITTEE.

Article 69. On petition of William P. Brett and fifty-four (54) other registered voters “to see if the Town will vote to authorize the Road Agent to continue to maintain in a passable condition, including clearing of snow in season, scraping and filling as necessary for safe passage, all classes of roads that have more than one occupied year round residence abutting on same.”

NOT RECOMMENDED BY BUDGET COMMITTEE.

Article 70. On petition of Ronald E. Guyette and thirteen (13) other registered voters request the OX Road, located on south side on Newton Jct. Road, 9/10 mile east of Rte. 125 in Kingston, be closed to all traffic except emergency vehicles. This road is a class six (6) road and is not maintained by the Town.

Article 71. On petition of Edward E. Spinney and thirteen (13) others to see if the Town will vote to place the lower portion of Sunshine Drive and the circular end of it a “Salt Restricted Zone”. We desire a sign indicating the above, with appropriate caution, on the lakeside border of the Lussier driveway and that the area south of this sign be a salt restricted area. The safety rationale for the above is that the entire area in question is flat and that vehicles should slow down for the circle anyway.

Article 72. To see if the Town will vote to send a message to the Legislature and Governor calling for a comprehensive toxics transition law requiring coordinated programs of planning, research, and development, education, enforcement, and economic incentives to achieve toxics reduction by substitution with safer substances.

Article 73. On petition of Richard C. Gerrish and fourteen (14) other voters “We, the people, being registered voters and concerned citizens of Kingston, strongly encourage our federal, state and local governments to consciously address and support legislation that will provide and secure the rights of our less fortunate citizens. We accept the fact that this resolution may require additional appropriations to fulfill our moral and civic responsibilities.”

Article 74. On petition of Richard C. Gerrish and forty (40) others to see if the Town will authorize the Board of Selectmen to appoint an Affordable Housing Committee within 30 days of the Annual Town Meeting, and that the Committee will make a report to the Board of Selectmen within three (3) months of the appointment. Said report is to be implemented by the Board of Selectmen immediately, with a report of the implementation by the Board of Selectmen to be given to the voters at the next Annual Town Meeting stating solutions that have been recommended.

Article 75. To see if the Town will vote to authorize the Selectmen to sell tax deeded property at public auction or by sealed bid.

RECOMMENDED BY BUDGET COMMITTEE.

Article 76. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this 22nd day of February, in the year of our Lord nineteen hundred and eighty-nine.

Marilyn B. Bartlett

**MELANSON, GREENWOOD
& COMPANY, P.A.**
CERTIFIED PUBLIC ACCOUNTANTS

February 10, 1988

To the Board of Selectmen
Town of Kingston
Kingston, New Hampshire

We are currently performing an audit of the Town's 1988 general purpose financial statements. Delays in closing the Town's books at year-end made it impossible to submit the audited financial statements in time for printing in the annual Town Report.

The final audit report will be available for Town Meeting. We anticipate completing the audit by February 17, 1989, and presenting the final audit report by late February.

Sincerely,

Melanson, Greenwood & Co.

Melanson, Greenwood & Company
Nashua, New Hampshire

TRUSTEE OF THE TRUST FUNDS

ANNUAL REPORT - 1988

There was no change in membership of the Board in 1988; Leonard F. Sanborn was reelected in March.

A summary of cemetery lot trust funds with a listing of new funds established in 1988 and a report of all other trust funds are given in the accompanying financial report. The full annual report is on file with the Selectmen, the Trustees, two State Offices as required, and may be seen on request.

TRUST FUNDS

Eleven new perpetual care trust funds were established for lots sold in 1988. There were no new special trust funds but some of the school scholarship funds were increased by the addition of unused income. Earnings of special trust funds were disbursed in December.

CEMETERIES

New signs were placed at the entrances of four cemeteries; Plains, Greenwood, Pine Grove and Mill Stream as approved. The stone wall at Mill Stream was repaired and pointed. Eight broken monuments in Plains were replaced. Standing timber in the Greenwood wood lot was sold for a return of \$1,500 which the Trustees suggest should be added to the Cemetery Maintenance Reserve Fund as provided in a Warrant Article. Another Warrant Article provides that revenue from the sale of lots in 1988 and in future shall go to the same Maintenance Trust Fund. Maintenance work was performed by George Leate, Donald Nason and Robert Mooers.

NOTES FROM SELECTMEN - 1988

We have had a very busy year and much time was spent due to the complete revaluation of properties in Kingston and with getting the computer on line.

Road Agent, Rich St. Hilaire, has worked, in cooperation with bordering towns to walk the Town Bounds as is required every seven years.

Our monthly Department Head meetings have proven very beneficial to employees and the Town.

We entered a float in Hampton's 350th Anniversary Celebration Parade and received a plaque for second place in the judging. We would like to thank all of those who volunteered to make it such a success.

We have reviewed the Road Committee Report, studied our roads, upgraded 46 Town Roads and increased the miles of Class V Roads.

Many thanks to all the Department Heads, employees, Committee members and all volunteers who have given so many hours to benefit the Town of Kingston.

KINGSTON POLICE DEPARTMENT

ANNUAL REPORT

The Kingston Police Department, in keeping with the continuing fight against drugs which are ever present in our community and schools, is updating equipment and gaining more knowledge of the crimes which are also linked to the use of drugs.

The Police Department will continue working with youth and parents alike, increasing their knowledge of what effect drugs can have on you and the future citizens of the Town of Kingston.

1988 ARRESTS/SUMMONS

Receiving stolen property
Indecent exposure
Tow bar required
Impersonating a Police Officer

I would like to personally thank Lt. Donald W. Briggs, Jr. for his help and leadership while I was at home recuperating from a broken arm in recent months.

I would like you to support the efforts of the Building Needs Committee appointed last year and recognize the many volunteer hours they have given the town this year. I also look forward to the possibility of a new home for the Police Department.

I would like to extend my thanks and appreciation to the townspeople for their support of the Police Department.

Respectfully submitted,

Neil R. Parker, Sr.
Chief of Police

REPORT OF THE KINGSTON FIRE DEPARTMENT

Motor vehicle accidents and the severity of injuries greatly increased this year. I'm pleased to say the Kingston Fire Department was well prepared for all circumstances because of our updated and well maintained equipment and our expert personnel.

Again this year, a great deal of emphasis was placed on training and safety. Both fire and emergency medical service personnel have volunteered numerous hours to professional training as well as in-house, hands-on training with our own equipment.

The advanced life support skills our EMTs acquired, including automatic defibrillation, over 100 hours of professional training for both new skills and recertification and the addition of three dedicated volunteer EMTs (Bill Seaman, Sandy Seaman, and Dana Merrill) greatly improved our Emergency Medical Services Division.

The Fire Department benefited from our personnel's increased expertise with the jaws of life and the fact that the average firefighter attended 50 hours of certified training and two volunteers, Norman Hurley and Paul Streeter earned the highest level of firefighter certification available in New Hampshire.

The Fire Department handled 147 fire calls and 269 ambulance calls including 10 structure fires and 12 motor vehicle accidents in which the jaws of life were used to remove victims.

Due to the increase of time required by the state and federal government to become certified and to retain certification, the town and its Fire Department suffers from an insufficient amount of volunteer firefighters and EMTs.

The need for management to devote more time to the day-to-day details, the demand for more fire inspections, the commitment to improve fire prevention awareness, increased daytime calls and the decrease of available daytime volunteer EMTs and firefighters has made it necessary for this department to request a full-time Fire Chief.

The Fire Chief's responsibilities would include department management, ambulance and fire calls, fire inspections, vehicle and station maintenance, and increased fire prevention activities. The Fire Chief should be a strong management professional who will be able to relieve the unrealistic burden placed on volunteers.

I would like to thank all the members of the Fire Department for their fine work and the professionalism which they have displayed. A Special note of thanks to retiring EMT, Janice Carter for her 5½ years of service to the Town of Kingston. Her presence will be greatly missed.

Respectfully,

Fire Chief,

William A. Timmons, Jr.

KINGSTON EMERGENCY MANAGEMENT AGENCY

10 Pennimans Grove Road
Kingston, New Hampshire 03848

January 14, 1989

This year I have been able to obtain the following additional equipment from New Hampshire Yankee through the State Emergency Management Agency.

- 2 - Syntor 'X' Mobile Radios (for Fire Dept.)
- 5 - MT-500 Portable Radios (for Fire Dept., Police Dept., Highway)
- 2 - P-100 Portable Radios (for Bakie School & High School)
- 2 - Pagers (for Police Dept.)
- 1 - Syntor Base Radio and Antenna Assembly
(for Fire Dept. South Station)
- 1 - 45kw Generator (located at the Fire/Police Station)
- 40 - Traffic Cones

In addition to the above, New Hampshire Yankee has also paid \$6,982.96 to the Town for reimbursement for meals and salaries for Town employees and volunteers who participated in training and sessions and drills during the past year.

The Town has also received reimbursement in the amount of \$2,512.00 from the State of New Hampshire for damages sustained during the flooding in April of 1987.

This year four individuals, representing the town, attended a three day Disaster Preparedness Seminar held at the Federal Emergency Management Agency national training center located in Emmitsburg, Maryland.

In addition, the Kingston Emergency Management Agency has applied for and received \$849.88, in reimbursement, from the Federal Government through the Emergency Management Assistance funding program.

Respectfully submitted,

Larry Middlemiss, Director
Kingston Civil Defense

KINGSTON CONSERVATION COMMISSION

The Conservation had a successful year in 1988. Our major achievement of the year was the approval of our application to the Land Conservation Investment Program (LCIP). The LCIP is a land acquisition program in which the State matches funds and land donation value to help Towns protect land from development. Kingstons project, presently in the final negotiation stage with the landowners, will protect almost 100 acres of land alongside the Powwow River from development. The cost to the Town is less than 20,000 dollars, thanks to the generous donations of John Bakie and Ken Briggs. Many thanks also are due to Diane Eadie who is primarily responsible for all effort that was required to successfully accomplish this project.

During the year two public hearings were held to solicit public input to determine what the Town's priorities should be toward land conservation. From the Townspeople's input water protection and the preservation of open space were determined to be our priorities. The land along the Powwow River represents a large tract of open space and also is situated over a large aquifer of regional significance. This year's Aquifer and River protection Ordinance is a response to the public's desire to protect their water supply. The Conservation Commission participated in the research required to propose these ordinances. Also the Conservation Commission attends all Planning Board hearings and reviews subdivisions, commercial developments, and any dredge and fill request to protect the town from imprudent development.

The Conservation Commission's concerns are communicated to other Town departments via participation in Department Head meetings that are held monthly and presentations during our regularly scheduled monthly meetings. Education of Commission members is accomplished by attending Law Lectures, Natural Resource Lectures, and the Annual Conservation Commission Association Meeting.

A seedling sale was sponsored by the Commission in which almost 2,000 seedlings were distributed to the Kingston and surrounding area. The same program is being run this year also.

This coming year's plans and goals are a continuation of this year's activities. Ground water protection will continue to be our number one priority. We hope to take advantage of this year's LCIP money as research is under way for additional properties to propose. A comprehensive Management Plan for Town open space is planned and a joint project with the Recreation Commission for the development of trails is also planned. Commission members are presently

spread very thin as there are two open spots on the Commission. More people are required for the Commission to accomplish our goals for the year. Please contact the undersigned if any Townspeople are interested in joining the Conservation Commission.

Respectfully submitted,
Russell Army, Chairman

KINGSTON PLANNING BOARD ANNUAL REPORT 1988

The development of Kingston in the years ahead will depend on plans made today. Ordinances and regulations are the tools the town can use to guide development.

The Kingston Planning Board meets the first Tuesday of every month. We evaluate subdivisions, lot line adjustments, site plans and gravel pits. The board initiates planning and zoning ordinances and holds public hearings to explain them.

This past year the board reviewed the Master Plan and added two appendices. Inspection fees for building and fire inspectors were increased to keep up with actual costs. The first cluster development under the innovative zoning was begun. New studies underway will provide the town with more accurate information as to location and capacity of the groundwater storing aquifer that lies beneath the town. For the immediate future, protection of this natural resource is a priority. No one of us owns the groundwater, but we all share it.

The recent revaluation of the town has provided us with a valuable by-product. Determining the total square feet of livable space and the total square feet of business space in the town, allows us to apportion the town's capital assets in a quantifiable way.

Capital Impact Fees are the fairest way of assessing the cost of growth. The board is currently gathering all the information that will be used.

The Board added a new service this year. We contracted with the Rockingham Planning Commission for the part time use of a professional planner. Mr. Glenn Greenwood is our "circuit rider." He meets with the public to advise and review. He offers his knowledge and experience to the board. His office hours were at first, noon to 4 p.m. two Mondays a month, and have recently been increased to four Mondays per month. He has also been updating many of our ordinances and regulations.

The board is grateful for the input and guidance we have received from the public and also from: other town departments, Rockingham Planning Commission, Rockingham County Conservation District, other towns, and the Office of State Planning.

The members active on the Board this year were:

Kenneth L. Weyler, Chairman

Glenn Coppelman, Vice Chairman

Robert L. Morse

Diane Eadie

George E. Henshaw

Michael P. Higgins

Charles J. Wagner, Selectman Ex-Officio

Michael Bovino, Alternate

Carolyn Harlow, Alternate

RECREATION COMMISSION 1988 REPORT

The Recreation Commission surveyed residents in February and March, asking them to complete a one-page form on interests and activities. Now, it is the commission's task to implement those results. About 600 residents returned the forms, and they indicated four major areas in which they want more activities: swimming lessons, teen activities, sponsored tours/trips and outdoor ice skating rink. We took some steps in three of these areas this year, and we plan to continue working on all four in 1989.

Highlights of the 1988 activities are below. Quite a few families enjoyed the antique sleigh rides in the winter, and at Easter, pre-schoolers "Bunny Hopped" with the Easter Bunny and enjoyed other activities and refreshments at the Town Hall. Each child took home a small stuffed animal.

The summer playground program in July was again at Bakie School. This year, all participants who wanted to go on field trips were required to buy a bright orange T-shirt to help the staff identify our "Kingston Kids."

In late August, a bus trip to the "Ramesses the Great" exhibit at the Boston Museum of Science quickly filled.

In the fall, a whale watch cruise was also very popular in September, and the Halloween party in October for elementary school children was, as usual, a success. A juggler entranced the children, and goodie bags were distributed as the children left.

We tried a new time for the Christmas tree lighting at the bandstand on the Plains this year, and it was hard to judge how successful it was. The day was bitterly cold, so few attended, possibly because of the cold, or possibly because of the change in time. In the past we coordinated with the Boy Scouts the tree lighting and the caroling from flatbed trucks. This year, the Scouts wanted to move their caroling closer to Christmas than at the first of the month, the time for the traditional tree lighting.

Two of our planned events were cancelled because there was not enough interest: a roller skating trip in the spring and a teen trip to Portsmouth in the summer.

All of the programs are planned by the volunteer commission, but many volunteers help in running them, especially the larger ones. We appreciate the volunteers and the many donations we receive, which combine to keep costs down.

For 1989, the commission is planning to implement more of the programs requested via the survey. Again, we seek ideas and suggestions for programs and activities, and volunteers to implement them.

Charlotte Wright, Chairman
David Currie
Michael Furness
Elaine VanDyke

KINGSTON MUNICIPAL BUILDINGS NEEDS COMMITTEE

SUMMARY REPORT

The Municipal Buildings Needs Committee authorized by Article 21 (Amended) of the 1988 Town Warrant was formed with the following members appointed by the Moderator - Natalie Keeley-Davis, Steve Durgin, Jef Flanders-McDougall, Bart Noyes, and Mike Priore.

Many meetings were held through the summer and fall during which we defined the scope of our project, toured all town buildings, conducted interviews with town employees and elected officials and traveled to Plaistow to tour their Safety Complex and Town Hall. During this time, data from many sources was collected and evaluated to allow us to develop a growth projection for the next twenty years. A Public Hearing was held as the final part of the information gathering process.

To assist the committee, the architectural firm Homer P. Young, Jr. Associates, Inc. was retained. The architects were asked to examine all the sites and buildings to determine the condition of their structural, mechanical, electrical systems. Water supply and septic disposal systems were to be evaluated. Areas of noncompliance with current Life Safety Codes and Building Codes were also to be identified.

The committee submitted its report to the Selectmen in early January and the architects submitted theirs on January 23rd. Significant findings were:

- acute space needs in all town office areas
- acute space and program needs in the Police Department
- architectural barriers in all town buildings
- moderate space and program needs which are becoming acute in the Nichol's Library
- moderate space and program needs which will restrict growth and development of the Fire Department
- lack of recreational facilities

Based on these findings, the committee recommends a phased program as follows:

PHASE 1

- the surveying and registering of the parcels of land on which the Town Hall, Fire/Police Station, Nichol's Library, and South Fire Station are located.

- the construction and/or renovation of approximately 16,000 square feet of space to house the Police Department and Town Offices

PHASE 2

- the renovation of space presently housing the Police Department in the Fire Station to meet Fire Department short term program needs
- the construction of approximately 6,000 square feet of new space to meet the Nichol's Library space and program needs
- the construction of recreational facilities including structures, fields, courts, and trails to meet the Recreation Committee program needs

PHASE 3

- the construction of approximately 5,500 square feet of new space at the Central Fire Station to house added equipment and meet long term program needs

The Committee would like to thank all town officials, employees, and residents who shared your time, ideas and expertise. Your contributions have made the project an enjoyable one and have given the reports their true content and significance.

The chairman would like to extend a special thanks to Natalie, Steve, Jef, and Mike who make it all work.

Respectfully submitted,

Herbert G. Noyes, Chairman
Kingston Municipal Buildings
Needs Committee

KINGSTON MUNICIPAL BUDGET COMMITTEE 1988 ANNUAL REPORT

The Municipal Budget Committee is completing its third full year and continues to strengthen its formal liaisons with Town Departments and Committees to ensure an on-going planning partnership. Working with the Board of Selectmen and Department Heads to understand and plan for the needs of the Town, the Committee has established the level of funding necessary to maintain the service level the Town requires. On the tactical side for 1988, the Committee focused its attention on the requirements of the Highway, Fire, and Police Departments and the Board of Selectmen's operations.

For 1989, the Budget Committee will be focusing on long-range planning by working with the Planning Board, Selectmen, and Department Heads to update the Capital Improvements Program and address the requirements identified. The demand for Town services has exceeded the resources committed for so long that we have had to make significant investments to bring those services and appropriate departmental budgets to a reasonable level of acceptability and quality. Now that the operational budgets have begun to stabilize, the Town must address several major areas of improvement such as the building needs for Town and emergency operations and resolving the Solid Waste Disposal issues.

Your attendance at the Annual Town Meeting is needed to set these priorities as well as your tax rate.

Carroll E. Wright
Chairman,
Municipal Budget Committee

NICHOLS MEMORIAL LIBRARY

The Mellon Foundation awarded a matching grant of five hundred dollars to the Nichols Memorial Library as part of a national program to help libraries acquire The Library of America Series. The 36 volumes already published are on our shelves and we wish to thank the following organizations and individuals that made this possible: The Boyd family, Mr. and Mrs. George Harmon, Kingston Area Junior Women, Kingston Lioness Club, The Waldo M. and Isabelle G. Magnusson Fund. Esther Ramey, donation in memory of Dr. Benjamin Russman, Major Frances J. Swallow, Ret., VFW Ladies Auxiliary Post #1088, Katherine Noel Wagner and Mr. and Mrs. John M. Whittier.

Kristie Conrad resigned as Children's Librarian in April, and Geraldine Tilley was hired as her replacement, joining us at the end of June. Her story and craft programs held on Tuesday mornings for pre-schoolers proved to be so popular that she will be running these in the morning as well as in the afternoon during 1989.

In November new library cards with numbers were issued. This means that a patrons number instead of their name will be noted on the book card. We converted to this system to conform with the New Hampshire Library system's Right to Privacy Act.

As the population of the town grows and the number of volumes in the library increases, available shelf space becomes an ever increasing problem.

Carol Rich, Librarian

KINGSTON FOOD PANTRY

The year of August, 1982, the food pantry had begun in Kingston. The purpose of this pantry was to help the people who are in need. At the time I was given permission to use a closet on the second floor of the town hall. With a few donations of canned food, the pantry was started.

Now in 1989, the pantry has grown with the help of everyone. It is known in all parts of the State, the FEMA program had given me a large sum of money to buy products that were not donated by the people, such as frozen foods and paper goods. Another group who have been very helpful were the Boy Scouts of America, they had a program "Scouting for Food." I have attended meetings in Haverhill with people of the committee to make the program a success. Kingston Town Hall was picked for headquarters for the towns of East Kingston, Newton and Kingston. The food was picked up by the Boy Scouts and brought to the Town Hall where it was divided among the three towns that participated. The program was a great success.

The Food Pantry Director is now a representative for the Salvation Army from Maine, for Kingston and East Kingston, also known with different agencies around the Rockingham County to help the elderly and the needy of the town.

Another project the pantry helps is the Thanksgiving and Christmas Baskets that the Kingston Community House make up.

At the end of December, 1988 the pantry has given out \$2,400 dollars worth of food, sometimes serve a family two, three or four times in the year.

I'm very grateful for the help that I've been receiving from different organizations and residents. The help given to me is well appreciated and I want to THANK everyone.

THANK YOU,

Michael Priore
Welfare Officer and
Food Pantry Director

TOWN OF KINGSTON
DEPARTMENT OF HEALTH
Kingston, New Hampshire 03848

January 14, 1989

Since January 1st, 1988 the Health Officer for the Town of Kingston has conducted the following inspections:
